Prior to July 29, 2010, licensees have never had an option to voluntarily cancel or surrender their license. The most recent legislative session has given a new choice to Arizona real estate licensees: to opt to surrender or cancel their license.

CANCEL – ARS §32-2137

An active licensee may request to cancel their license, and the Department has the discretion to do so if both of the following are true:

- The licensee is not presently under investigation by the Department, and
- The Department has not commenced any disciplinary proceeding against the licensee.

The form for canceling a license can be found at www.azre.gov. Submit form to the ADRE after the Designated Broker and Licensee have signed. The Designated Broker must not sever the Licensee prior to ADRE receiving the signed confirmation of the Commissioner. .

SURRENDER – ARS §32-2157(A)

If the Department has commenced a disciplinary proceeding **against** a licensee, the licensee may request in writing to voluntarily surrender their license to the Department only, if the surrender of the license occurs not less than 10 days prior to a hearing. After acceptance of the voluntary surrender, **“the Department shall not thereafter issue a license under this chapter to the licensee.”**
