The department shall maintain a current list of approved courses. The commissioner may waive all or a portion of the continuing education requirement for good cause shown. The commissioner shall determine by rule the content of the renewal credit hours. The renewal credit hours may include the commissioner's current topics, including short sales. For the purposes of this subsection, "short sales" means real estate transactions in which the sales price is insufficient to pay the loan encumbering the property in addition to the costs of sale and the seller is unable to pay the difference.

B. If an applicant is renewing a license within one year after it expired, the applicant may apply continuing education hours completed after the expiration toward the continuing education required for renewal.

C. Each renewal application shall contain, as applicable, the same information required in an original application pursuant to section 32-2123.

D. Cemetery brokers and salespersons and membership camping brokers and salespersons are exempt from the educational requirements of this section.

E. This section does not require a licensee to attend department produced or sponsored courses if approved courses are otherwise available.

F. Between the expiration date of the license and the date of renewal of the license, the rights of the licensee under the license expire. While the license is expired it is unlawful for a person to act or attempt or offer to act in a manner included in the definition of a real estate, cemetery or membership camping broker or salesperson. If the license of an employing broker expires under this subsection, the licenses of persons who are employed by the employing broker shall be severed from the employing broker on the license expiration date of the employing broker. These persons may be rehired on renewal of the employing broker's license. The department shall terminate a license that has been expired for more than one year.

G. Except as provided in section 32-4301, not more than one year after the license expiration date, the department shall renew a license without requiring the applicant to submit to an examination if the applicant held a license that was not canceled or suspended at the time of expiration. Except as provided in section 32-4301, the license period for a license renewed pursuant to this subsection commences the day after the expiration date of the expired license. Except as provided in section 32-2131, subsection A, paragraph 4 or 6, an applicant whose license has been terminated or revoked does not qualify for license renewal.

H. Any employee or immediate family member of any employee of this state who, pursuant to section 32-2110 or any other law, rule or requirement, is prohibited from using a license issued under this chapter shall have, on the request of the employee or family member, the license placed on inactive status, shall have the right to renew the license and shall not be required to pay further fees until the employee or family member is again eligible to use

the license. Renewal fees for the license shall not be required for only as long as the employee or family member is prohibited from using the license.

I. The department shall not renew the license of a person who has been convicted of a felony offense and who is currently incarcerated for the conviction, paroled or under community supervision and under the supervision of a parole or community supervision officer or who is on probation as a result of the conviction. This subsection does not limit the commissioner's authority and discretion to deny the renewal for any other reason pursuant to this chapter.

J. A real estate broker licensee may renew as a real estate salesperson licensee without having to meet the requirements prescribed by section 32-2124, subsection B. If a person renews as a real estate salesperson pursuant to this subsection, the person shall pay the salesperson's renewal fee as prescribed in section 32-2132. If the person subsequently wants to obtain a real estate broker license, the person must meet the requirements of this chapter, including the requirements prescribed by section 32-2124, subsection C.

**K. A licensee with an inactive license does not need to complete continuing education credit hours during the period that the license is inactive. If the licensee applies with the department to change the license status to active:**

**1. The commissioner may require the licensee to complete continuing education credit hours before activating the license.**

**2. In addition to the continuing education requirement described in paragraph 1 of this subsection, if the license has been inactive for more than fifteen years, the commissioner shall require that the applicant successfully pass an examination specific to the laws of this state relating to this chapter before activating the license.**

**L. One year before the fifteen-year period described in subsection K, paragraph 2 of this section expires, the department shall send a notice to a licensee with an inactive license. The notice shall be sent to the licensee's last known address of record maintained by the department and shall disclose the requirements of subsection K of this section.**

(i) If within the license period, by reapplication and payment of applicable fees.

(ii) If after expiration of the license, by original or renewal application, as appropriate, pursuant to this article.

B. Except for canceled licenses, reinstatement of a license pursuant to subsection A of this section shall not be made for any licensee who is the subject of a department investigation into alleged violations of this chapter or of a pending administrative proceeding pursuant to article 3 of this chapter.

C. This section shall not be interpreted to lessen or reduce the qualifications otherwise required of license applicants under this article or the department's authority to deny a person's application for license reinstatement who does not otherwise meet all of the requirements.

15. Failed to keep an escrow or trust account or other record of monies deposited with the licensee relating to a real estate transaction.
16. Commingled the monies or other property of the licensee's principal or client with the licensee's own or converted these monies or property to the licensee or another.
17. Failed or refused on demand to produce any document, contract, book, record, information, compilation or report that is in the licensee's possession or that the licensee is required by law to maintain concerning any real estate, cemetery or membership camping business, services, activities or transactions involving or conducted by the licensee for inspection by the commissioner or the commissioner's representative.
18. Failed to maintain a complete record of each transaction that comes within this chapter.
19. Violated the federal fair housing law, the Arizona civil rights law or any local ordinance of a similar nature.
20. Tendered to a buyer a wood infestation report in connection with the transfer of residential real property or an interest in residential real property knowing that wood infestation exists or that the wood infestation report was inaccurate or false as of the date of the tender or that an inspection was not done in conjunction with the preparation of the wood infestation report.
21. As a licensed broker, failed to exercise reasonable supervision over the activities of salespersons, associate brokers or others under the broker's employ or failed to exercise reasonable supervision and control over the activities for which a license is required of a corporation, limited liability company or partnership on behalf of which the broker acts as designated broker under section 32-2125.

26. As a licensed school, failed to exercise reasonable supervision over the activities for which a license is required for an owner, director, administrator or instructor in the school's employ.

B. The commissioner may suspend or revoke a license, deny the issuance of a license, issue a letter of concern to a licensee, issue a provisional license or deny the renewal or the right of renewal of a license issued under this chapter if it appears that the holder or applicant has:

1. Procured or attempted to procure a license under this chapter for the holder or applicant or another by fraud, misrepresentation or deceit or by filing an original or renewal application that is false or misleading.
2. Been convicted in a court of competent jurisdiction in this or any other state of a felony or of any crime of forgery, theft, extortion, conspiracy to defraud, a crime of moral turpitude or any other like offense.
3. Made any substantial misrepresentation.
4. Made any false promises of a character likely to influence, persuade or induce.
5. Been guilty of any conduct, whether of the same or a different character than specified in this section, that constitutes fraud or dishonest dealings.
6. Engaged in the business of a real estate broker, cemetery broker or membership camping broker or real estate salesperson, cemetery salesperson or membership camping salesperson without holding a license as prescribed in this chapter.
7. Demonstrated incompetence to perform any duty or requirement of a licensee under or arising from this chapter. For the purposes of this paragraph, "incompetence" means a lack of basic knowledge or skill appropriate to the type of license the person holds or a failure to appreciate the probable consequences of the licensee's action or inaction.
8. Violated the terms of any criminal or administrative order, decree or sentence.
9. Violated any federal or state law, regulation or rule that relates to real estate or securities or that involves forgery, theft, extortion, fraud, substantial misrepresentation, dishonest dealings or violence against another person or failure to deal fairly with any party to a transaction that materially and adversely affected the transaction. This paragraph applies equally to violations of which the licensee was convicted in any lawful federal or state tribunal and to any admissions made in any settlement agreement by the licensee to violations.
10. Failed to respond in the course of an investigation or audit by providing documents or written statements.

C. A judgment based on a court's finding or stipulation of fraud by a licensee following a trial on the merits or a criminal conviction of a licensee that results in a payment from the real estate recovery fund is prima facie evidence of a violation and grounds for discipline under this section.

D. The commissioner may deny, suspend or revoke the issuance of a license on application by a corporation, a limited liability company or a partnership if it appears that an owner, officer, director, member, manager, partner, stockholder owning ten percent or more of the stock in the corporation or limited liability company or person exercising control of the entity is a current or former licensee whose license as a broker or a salesperson has been denied, suspended or revoked.

E. The lapsing or suspension of a license by operation of law or by order or decision of the commissioner or a court of law or the voluntary surrender of a license by a licensee does not deprive the commissioner of jurisdiction to do any of the following:

1. Proceed with any investigation of or action or disciplinary proceeding against the licensee.
2. Render a decision suspending or revoking the license or denying the renewal or right of renewal of the license.
3. Assess a civil penalty pursuant to section 32-2160.01.

F. For the purposes of this section:

1. "Letter of concern" means an advisory letter to notify a licensee that, while the conduct or evidence does not warrant disciplinary action, the commissioner believes that the licensee should modify or eliminate certain practices and that continuation of the activities may result in further disciplinary action against the licensee.

2. “Provisional license” means a license that the department issues and that allows a licensee to practice subject to either a consent order as prescribed in section 32-2153.01 or the commissioner’s terms, conditions and restrictions.

**32-2153.01. Consent order; terms**

In addition to any other authority granted to the commissioner in this chapter to issue orders, the commissioner may issue a consent order on the agreement of both parties to an appealable agency action or a contested case. The order shall include terms that the parties agree on and that the commissioner, in the commissioner’s discretion, believes are appropriate.

**32-2154. Cease and desist orders; hearing**

A. If it appears to the commissioner that any person has engaged, is engaging or is preparing to engage in any act, practice or transaction that constitutes a violation of this chapter or any rule adopted or order issued by the commissioner, the commissioner may issue an order directing any person to cease and desist from engaging in the act, practice or transaction or doing any act in furtherance of the act, practice or transaction, to make restitution or to take appropriate affirmative action, within a reasonable period of time as prescribed by the commissioner, to correct the conditions resulting from the act, practice or transaction.

B. A person aggrieved by a cease and desist order issued by the commissioner pursuant to this section may request a hearing pursuant to title 41, chapter 6, article 10 and the commissioner may issue the order or orders as the commissioner deems necessary to protect the public interest. The commissioner may also bring an action in any court of competent jurisdiction against the person to enjoin the person from continuing in violation of this chapter. These proceedings shall be promptly instituted and determined.

**32-2155. Restriction on employment or compensation of person as broker or salesperson**

*(Ariz. Sess. Laws Ch. 126, § 3 (2022))*

A. A broker shall employ and pay only active licensees, and a licensee shall accept employment and compensation as a licensee only from either or both of the following:

1. The legally licensed broker to whom the licensee is licensed.
2. An employer other than the legally licensed broker as described in paragraph 1 of this subsection if the all of the following apply:
  - (a) The employer holds a license.
  - (b) The licensee is the employer’s employee and receives a federal form W-2 wage and tax statement.
  - (c) The employer has the same employing broker as the licensee.
  - (d) The employer obtains written permission from the employing broker to pay the licensee.

B. If the licensee is licensed through a professional corporation or a professional limited liability company, the employing broker may pay and the licensee may receive compensation only through the licensed professional corporation of which the licensee is an officer and shareholder or the licensed professional limited liability company of which the licensee is a member or manager.

C. It is unlawful for a person, firm or corporation, whether an obligor, escrow holder or otherwise, to pay or deliver to anyone compensation for performing any of the acts specified by this chapter, as a broker, who is not licensed at the time the service is rendered. An identification card or certificate of license issued by the state real estate department showing that the person, firm or corporation holds a license for the year in which the payment is made or earned is sufficient proof to relieve from any penalty for a violation of this section the obligor, escrow holder or other person who relied in good faith on the card or certificate.

D. A real estate broker or real estate salesperson shall not collect compensation for rendering services in negotiating loans secured by real property unless all of the following apply:

1. The broker or salesperson is licensed pursuant to title 6, chapter 9 or is an employee, officer or partner of a corporation or partnership licensed pursuant to title 6, chapter 9.
2. The broker or salesperson has disclosed to the person from whom the compensation is collected that

the broker or salesperson is receiving compensation both for real estate brokerage, when applicable, and for mortgage broker services.

3. The compensation does not violate any other state or federal law.

E. Notwithstanding subsection A or B of this section, brokers licensed under this chapter may employ residential leasing agents or managers of residential rental properties, as prescribed by section 32-2121, subsection A, paragraph 6. The exemption of residential leasing agents or managers of residential rental property under article 2 of this chapter does not exempt the designated broker from the responsibility to exercise reasonable supervision over these leasing agents or managers.

**32-2156. Real estate sales and leases; disclosure**

A. No criminal, civil or administrative action may be brought against a transferor or lessor of real property or a licensee for failing to disclose that the property being transferred or leased is or has been:

1. The site of a natural death, suicide or homicide or any other crime classified as a felony
2. Owned or occupied by a person exposed to the human immunodeficiency virus or diagnosed as having the acquired immune deficiency syndrome or any other disease that is not known to be transmitted through common occupancy of real estate.
3. Located in the vicinity of a sex offender.

B. Failing to disclose any fact or suspicion as set forth in subsection A shall not be grounds for termination or rescission of any transaction in which real property has been or will be transferred or leased.

**32-2157 Written notice of changes; summary suspensions; hearing; voluntary surrender of license**

A. Except as provided in subsections B and C of this section, before suspending, revoking or denying the renewal or the right of renewal of any license, or issuing any order prohibiting the sale or lease of property or the sale of cemetery lots or membership camping contracts as provided by this chapter, the commissioner shall present the licensee, owner, including the current owner of the property, operator, agent or developer with written notice of the charges filed against the person, or reasons for prohibiting the sale or lease, and shall afford the person an opportunity for a hearing pursuant to title 41, chapter 6, article 10. Within twenty days after service of a notice of hearing, the respondent shall appear by filing a written answer to the complaint. A licensee against whom the department has commenced a disciplinary proceeding under this chapter may voluntarily surrender to the department the license if the surrender of the license occurs not less than ten days prior to a hearing under this section. After the acceptance of a voluntary surrender of a license under this section the department shall not thereafter issue a license under this chapter to the licensee.

B. If the commissioner finds that the public health, safety or welfare imperatively requires emergency action, and incorporates a finding to that effect in the commissioner’s order, summary suspension of a license or sales may be ordered. Grounds for issuance of an order of summary suspension include the violation of any of the provisions of section 32-2153 and the termination of a license pursuant to section 32-2188, subsection I. A licensee, owner, including the current owner of the property, operator, agent or developer may request a hearing pursuant to title 41, chapter 6, article 10. A summary suspension shall be deemed to be final if a request for a hearing is not received within thirty days as provided by section 41-1092.03.

C. The department may issue a summary suspension when the department receives notice that a person licensed pursuant to this chapter has been convicted of a felony offense and is currently incarcerated for the conviction, paroled or under the supervision of a parole or community supervision officer or is on probation as a result of the conviction. This subsection does not limit the commissioner’s authority to seek revocation of a license or other disciplinary action pursuant to this chapter.

**32-2158. Hearing; witnesses; deposition; service of process**

A. Any party to a hearing shall have the right to the attendance of witnesses in the party’s behalf, in person or by deposition, upon making a request therefor to the commissioner and designating the person or persons requested to be subpoenaed. For the purpose of investigation or hearing the commissioner shall have the powers vested in public officers by section 12-2212.

B. Process issued by the commissioner may be served by any person authorized to serve process of courts of record or by any person designated for that purpose by the commissioner. The person serving process shall receive compensation allowed by the commissioner, not to exceed the fees prescribed by law for similar service. Any witness who appears by order of the commissioner shall receive the same fees and mileage allowed by law to a witness in civil cases, which shall be paid by the party at whose request the witness is subpoenaed. Fees for serving process and of witnesses subpoenaed by the commissioner not upon the request of any other person shall be paid as other expenses of the department are paid.

### **32-2159. Judicial review; costs; transcript**

A. Except as provided in section 41-1092.08, subsection H, a final decision of the commissioner may be appealed to the superior court in Maricopa county pursuant to title 12, chapter 7, article 6.

B. If the superior court declares an appealing party indigent, on appeal the department shall pay the costs of the reporter's transcript of proceedings and shall produce a certified copy of all documents and evidence in the administrative record at no charge.

### **32-2160. Filing of complaint by commissioner; prosecution**

A. The commissioner may file a complaint for a violation of this chapter before a court of competent jurisdiction and may in person or by his deputies, assistants or counsel assist in the prosecution of the complaint. The county attorney of any county in which a violation occurs shall, upon the written request of the commissioner or the attorney general, prosecute the violation.

B. In addition to all other remedies, when it appears to the commissioner either upon complaint or otherwise that any person, firm, partnership, corporation, association or other organization, or a combination of any of them, has engaged or is engaging in any act, practice or transaction which constitutes a violation of this chapter or of any rule or order of the commissioner, the commissioner may, either through the attorney general or through the county attorney of any county in which the act, practice or transaction is alleged to have been committed, apply to the superior court of that county for an injunction restraining such person, firm, partnership, corporation, association or other organization from engaging in such act, practice or transaction, or doing any act in furtherance thereof, and, upon a proper showing, a temporary restraining order, a preliminary injunction or a permanent injunction shall be granted without bond. Process in such action may be served upon the defendant in any county of this state where such defendant transacts business or is found or on the statutory agent in the case of a corporation.

C. Nothing in subsection B shall give the department jurisdiction over any landlord and tenant disputes or federal or state fair housing violations or authorize the commissioner to seek sanctions under this chapter or any rule or order of the commissioner relating to these matters.

#### **32-2160.01. Civil penalties**

A. Any licensee who is subject to the jurisdiction of the department and who has violated any provision of this chapter or any rule or order adopted or issued by the commissioner, who has deviated substantially from the provisions of a public report or who has engaged in any unlawful practices defined in section 44-1522 with respect to the sale or lease of either subdivided lands or unsubdivided lands may be assessed a civil penalty by the commissioner, after a hearing, in an amount not to exceed one thousand dollars for each infraction.

B. Actions to recover penalties assessed pursuant to this chapter shall be brought by the attorney general in the name of the state in the superior court in the county in which the violation occurred or in a county in which the commissioner maintains an office. When the commissioner has revoked a license or withdrawn certification or approval of a school, educational course or real estate instructor and assessed civil penalties that remain unpaid, if judicial review has not been sought under title 12, chapter 7, article 6, a certified copy of any such commissioner's order requiring the payment of civil penalties may be filed in the office of the clerk of the superior court. The clerk shall treat the commissioner's order in the same manner as a judgment of the superior court. A commissioner's order so filed has the same effect as a judgment of the superior court and may be recorded, enforced or satisfied in like manner. No filing fee is required under this section.

### **32-2161. False statements or publications concerning land, subdivision or membership camping contract for sale or lease; classification; definition**

A. Every person who knowingly authorizes or directs any publication or any false statement or representation concerning any land, subdivision or membership camping contract offered for sale or lease, and every person who, with knowledge that any advertisement, pamphlet, prospectus, or letter concerning the land, subdivision or membership camping contract contains any written statement that is false or fraudulent, issues, circulates, publishes or distributes it or causes it to be issued, circulated, published or distributed, or who in any respect knowingly violates or fails to comply with any order, permit, decision, demand or requirement of the commissioner under the provisions of this chapter, is guilty of a class 6 felony and, if a licensee, shall be tried before the commissioner for suspension or revocation of his license.

B. For purposes of this section, "knowingly" or "with knowledge" includes, but is not limited to, engaging in any conduct prohibited in subsection A if such person knew or should have known of the falsity of any statement or representation.

### **32-2162. Sale of cemetery property for speculation unlawful**

It is unlawful for any person to sell or offer for sale cemetery property under any promise that the cemetery property sold or offered for sale may be resold at a profit. The conveyance of cemetery property pursuant to a sale in violation of this section is void.

### **32-2163. Unlawful acts; out-of-state broker; cooperation agreement**

*Amended by Ariz. Sess. Laws Ch. 52, (2024)*

A. It is unlawful for any licensed broker in this state to employ or compensate, directly or indirectly, any person for performing any of the acts within the scope of this chapter if the person is not also a licensed broker in this state, or a salesperson licensed under the broker employing or compensating the salesperson, except that a licensed broker in this state may pay compensation to and receive compensation from a broker who is lawfully operating in another state.

B. Notwithstanding that pursuant to subsection A of this section a licensed broker in this state may pay to and receive compensation from an out-of-state broker, this authority does not allow an out-of-state broker to conduct activity in this state that would otherwise require a broker's license issued by the department.

C. A licensed broker in this state may cooperate with an out-of-state broker who would otherwise require licensure in this state if:

1. The licensed broker and the out-of-state broker enter into a written cooperation agreement before the out-of-state broker conducts any activity otherwise requiring a broker's license pursuant to this chapter.

The cooperation agreement shall include the following:

(a) A list of the real estate activities to be conducted by the out-of-state broker.

(b) A statement that the out-of-state broker agrees to fully comply with the laws of this state and submit to the regulatory jurisdiction of the department for activities subject to real estate broker licensure pursuant to this chapter.

(c) A statement that the licensed broker in this state understands and accepts responsibility for the acts of the out-of-state broker.

2. All negotiations in this state or with people who own property in this state are conducted through the licensed broker in this state.

3. The licensed broker in this state assumes all responsibility for the acts of the out-of-state broker.

4. All principal funds handled by either the licensed broker in this state or the out-of-state broker are subject to the deposit and handling requirements of section 32-2151.

D. The offering of real estate brokerage services specified by section 32-2101, paragraph 51 for compensation or any other thing of value pertaining to real property located in this state through an internet website constitutes activity that requires a broker's license issued by the department.

E. This section does not allow an out-of-state broker who is not licensed in this state to list, market or advertise in

this state real property located in this state for sale, lease or exchange.

F. Signs shall not be placed on real property in this state by an out-of-state broker. An out-of-state broker shall not use a cooperation agreement as authority to sell, lease, rent, exchange or attempt to sell, lease, rent or exchange real property to a resident of this state.

### **32-2164. Unlawful subdivision lot sales**

It is unlawful for a licensed real estate broker or salesperson to assist a subdivider or agent of such subdivider in the offer, sale or lease of a subdivision lot or parcel in violation of any provision of this chapter or any rule adopted or order issued by the commissioner if the licensee knew or should have known of the violation.

### **32-2165. Unlicensed activities; violation; classification**

A. A person who acts as a broker or salesperson within the meaning of this chapter, or who advertises in a manner that indicates that the person is licensed as a broker or salesperson, without being licensed as prescribed by this chapter is guilty of a class 6 felony.

B. A person who performs acts that require a license under this chapter, other than a broker's or salesperson's license, without being licensed as prescribed by this chapter is guilty of a class 5 felony.

C. The penalties prescribed by this section do not apply to:

1. A broker or salesperson within a year of the expiration of the broker's or salesperson's license, if the failure to timely renew the license was due to unintentional neglect by the licensee or administrative untimeliness by the department.

2. The activities of a licensee, while acting in a capacity for which the person's license was issued, that otherwise violate any provision of this chapter.

3. Any person who, on discovering that a license is required to carry on the person's present or planned activities, and before the issuance of a cease and desist order pursuant to section 32-2154, notifies the department of the person's intent to immediately comply with this chapter, applies for the required license and ceases the prohibited activities pending issuance of a license. Nothing in this paragraph shall be construed to lessen or reduce the qualifications otherwise required of license applicants under this chapter or to diminish the authority of the department to deny a license to a person who does not meet all of the requirements for licensure.

### **32-2166. Activities while incarcerated; violation; classification**

A. While incarcerated a person who is licensed pursuant to this chapter shall not perform acts that require a license under this chapter.

(j) Not be assigned to another licensee or licensed entity without the express written consent of the property owner.

(b) Provide for reasonable liquidated damages or cancellation fees for early termination of the agreement.

(c) Allow the property management firm's broker to authorize a licensed or unlicensed person in the direct employment of the broker, pursuant to section 32-2174, subsection C, to transfer monies from or to be a signatory on a property management trust account to which the property management firm deposits the owner's monies.

(d) Require more than one signature on checks written from a property management account.

(e) Contain any other provisions that are agreed to between the property management firm and the owner and that are not in conflict with the requirements of this chapter.

B. Immediately on termination of a property management agreement, the property management firm shall provide the owner with:

1. All originals or other copies of all rental agreements or related documents in the property management firm's possession for current and previous tenants. These documents shall include any applications, property inventories, leases, pet permits, default notices, lease amendments or addenda in the property management firm's possession. The broker is not required to keep copies of residential rental lease agreements or related rental lease documents after termination of the property management agreement.
2. All building plans, environmental studies, conditions, covenants and restrictions, inspection reports, contracts, keys, warranties, personal property or other documents in the possession of the property management firm.

2. Within thirty-five days, reimbursement for all monies remaining in the property accounts maintained by the property management firm, except for monies needed for unpaid obligations incurred during the term of the property management agreement.
3. Within seventy-five days, a final accounts receivable and payable list.
4. Within seventy-five days, a final bank account reconciliation.

D. If there is an on-site management office and any of the records or documents described in subsection B of this section are located on site, the property management firm may leave the items there for the benefit of the owner on termination of the property management agreement. The property management firm shall inform the owner in writing immediately as to the location of these records.

#### **32-2174. Property management accounts**

##### ***Amended by Ariz. Sess. Laws Ch. 52, (2024)***

A. All property management accounts shall be designated **as trust accounts on the broker's records**.

B. A broker's trust account is required for all of the owner's monies, except if the owner directs the broker to deposit the monies directly into the owner's account. The broker shall not have access to the owner's account. Trust accounts may be interest bearing.

C. The designated broker for a property management firm may authorize either a licensee or an unlicensed natural person in the direct employ of the broker to transfer monies or to be a signatory on the property management firm's trust accounts. If the person who is designated to sign on behalf of the designated property management broker is an unlicensed person, that person shall be a bona fide officer, member, principal or employee of the property management firm. The broker may require dual signatures on checks and may use a facsimile signature according to the broker's business policies and procedures. The designation of a licensed or unlicensed person to transfer monies or to be a signatory on trust accounts does not lessen the broker's responsibility or liability for any monies handled.

D. Within three banking days after receiving monies that are not subject to dispute or contingency, the property management firm shall deposit the monies in either the owner's direct account or the property management firm's trust account for the benefit of the owner. A property management firm may remit an owner's monies under its control to or for the owner by any lawful means available.

E. Each rental agreement executed by a property manager shall include a provision that clearly states the disposition of any tenant deposits.

#### **32-2175. Property management records; requirements; audits**

A. Property management firms shall keep a residential rental agreement, including any lease amendments and addenda, and related residential rental agreement documents for one year after the expiration of the rental agreement or until the rental agreement and related documents are given to the owner at the termination of any property management agreement. For the purposes of this subsection, related documents may include copies of any of the following:

1. Rental applications with tenant-identifying information.
2. Move-in forms.
3. Default notices.

B. Property management firms shall keep records of all finder fees that are paid to tenants for three years after the payment is made or until the records are given to the owner at the termination of the property management agreement.

C. Property management firms shall keep all financial records pertaining to clients for at least three years from the date each document was executed, including bank statements, canceled checks or bank generated check images, deposit slips, bank receipts, receipts and disbursement journals, owner statements, client ledgers and applicable bills, invoices and statements.

D. Only the designated broker or the broker's authorized real estate licensee, on behalf of the broker, may sign nonresidential rental agreements. The broker shall execute in writing and shall file any delegation of authority in the broker's employee file. Fully executed residential lease agreements are not required to be reviewed and initialed.

E. The property management firms shall consecutively number or file all signed property management agreements in compliance with a system that is orderly, easily accessible by the commissioner or the commissioner's representative and consistent with generally accepted professional standards of the industry for that type of real estate.

F. Property management firms shall maintain each nonresidential real estate lease agreement and the transaction folder in which it is kept in a chronological log or other systematic manner that is easily accessible by the commissioner or the commissioner's representatives. For nonresidential lease transactions, transaction folders shall contain:

1. Confirmation that the deposits or other monies that were handled by or through the broker were handled according to instructions given by or agreed on by the parties to the transaction.
2. A complete copy of the nonresidential lease or rental agreement.
3. If applicable, a copy of the listing agreement.

G. Property management firms shall number on-site residential rental transaction folders according to dwelling unit number or other systematic manner that is easily accessible by the commissioner or the commissioner's representative. A broker is not required to maintain duplicate residential rental transaction folders.

H. All records required under this section shall be kept at the broker's main office or branch office, electronically or at an off-site storage location in this state if the broker provides to the department prior written notification and a street address of the off-site storage location. Trust account records shall be kept pursuant to section 32-2151. For the purposes of this subsection, "off-site storage location" includes a multifamily leasing office.

I. On request by the commissioner or the commissioner's representatives for routine audit purposes the broker shall make available within a reasonable amount of time all records relative to property management accounts, including lease agreements, lease related documents and trust account records. The department is limited to auditing those areas that are related to the business activities of a broker and that have a material bearing on the accuracy of the audit. This subsection does not limit the immediacy or scope of an audit if a violation of real estate statutes or rules is suspected.

#### **32-2176. Payment of finder fees to apartment tenants; limits; prohibited activities; civil penalty; definitions**

A. Notwithstanding sections 32-2155, 32-2163 and 32-2165 or any other provision of this chapter, a property management firm or a property owner may:

1. Pay a finder fee to an unlicensed person who is a tenant in an apartment complex managed by the firm or owned by the owner.
2. Authorize a residential leasing agent or manager to deliver a finder fee to an unlicensed person who is a tenant in an apartment complex managed by the residential leasing agent or manager. A residential leasing agent or manager may not receive a finder fee. This prohibition does not affect the ability of a residential leasing agent or manager to receive a bonus pursuant to section 32-2121, subsection A, paragraph 6.

B. A finder fee paid pursuant to this section shall be a credit toward or reduction in the tenant's monthly rent. A tenant may receive multiple finder fees.

C. A tenant shall limit the tenant's activities pursuant to this section to referring prospective lessees to the owner or the owner's agent and shall not do any of the following:

1. Show a residential dwelling unit to a prospective lessee.

The military electronics range report requirements do not require the amendment or reissuance of any public report issued on or before December 31, 2008. The commissioner shall require the subdivider to reproduce the report, make the report available to each initial prospective customer and furnish each initial buyer or lessee with a copy before the buyer or lessee signs any offer to purchase or lease, taking a receipt therefor.

B. This section shall not be construed to require a public report issued sixty or fewer days prior to the filing of the military electronics range map prepared pursuant to section 37-102 to meet the military electronics range notification requirements of this section.

C. A public report issued sixty-one or more days after the filing of the military electronics range map prepared pursuant to section 37-102 shall meet all of the requirements of subsection A of this section.

D. Notwithstanding subsection A of this section, a subdivider may elect to prepare a final public report for use in the sale of improved lots as defined in section 32-2101, as follows:

1. The subdivider shall prepare the public report and provide a copy of the report to the commissioner with the submission of the notification required by sections 32-2181 and 32-2184 and shall comply with all other requirements of this article.
2. An initial filing fee of five hundred dollars or an amended filing fee of two hundred fifty dollars shall accompany the notification required by paragraph 1 of this subsection.
3. The department shall assign a registration number to each notification and public report submitted pursuant to this subsection and shall maintain a database of all of these submissions. The subdivider shall place the number on each public report.
4. On receipt of the notification and public report, the department shall review and issue within ten business days either a certification that the notification and public report are administratively complete or a denial letter if it appears that the application or project is not in compliance with all legal requirements, that the applicant has a background of violations of state or federal law or that the applicant or project presents an unnecessary risk of harm to the public. If the commissioner has received the notification and public report but has not issued a certification or a denial letter within ten business days pursuant to this paragraph, the notification and public report are administratively complete.
5. A subdivider may commence sales or leasing activities as permitted under this article after obtaining a certificate of administrative completeness from the commissioner.
6. Before or after the commissioner issues a certificate of administrative completeness or, if applicable, after the notification and public report are deemed to be administratively complete pursuant to paragraph 4 of this subsection, the department may examine any public report, subdivision or applicant that has applied

for or received the certificate. If the commissioner determines that the subdivider or subdivision is not in compliance with any requirement of state law or that grounds exist under this chapter to suspend, deny or revoke a public report, the commissioner may commence an administrative action under section 32-2154 or 32-2157. If the subdivider immediately corrects the deficiency and comes into full compliance with state law, the commissioner shall vacate any action that the commissioner may have commenced pursuant to section 32-2154 or 32-2157.

7. The department shall provide forms and guidelines for the submission of the notification and public report pursuant to this section.

E. The commissioner may suspend, revoke or deny issuance of a public report on any of the following grounds:

1. Failure to comply with this article or the rules of the commissioner pertaining to this article.
2. The sale or lease would constitute misrepresentation to or deceit or fraud of the purchasers or lessees.
3. Inability to deliver title or other interest contracted for.
4. Inability to demonstrate that adequate financial or other arrangements acceptable to the commissioner have been made for completion of all streets, sewers, electric, gas and water utilities, drainage and flood control facilities, community and recreational facilities and other improvements included in the offering.
5. Failure to make a showing that the lots, parcels or fractional interests can be used for the purpose for which they are offered.
6. The owner, agent, subdivider, officer, director or partner, subdivider trust beneficiary holding ten per cent or more direct or indirect beneficial interest or, if a corporation, any stockholder owning ten per cent or more of the stock in the corporation has:
  - (a) Been convicted of a felony or misdemeanor involving fraud or dishonesty or involving conduct of any business or a transaction in real estate, cemetery property, time-share intervals or membership camping campgrounds or contracts.
  - (b) Been permanently or temporarily enjoined by order, judgment or decree from engaging in or continuing any conduct or practice in connection with the sale or purchase of real estate or cemetery property, time-share intervals, membership camping contracts or campgrounds, or securities or involving consumer fraud or the racketeering laws of this state.
  - (c) Had an administrative order entered against him by a real estate regulatory agency or security regulatory agency.
  - (d) Had an adverse decision or judgment entered against him involving fraud or dishonesty or involving the conduct of any business or transaction in real estate, cemetery property, time-share intervals or membership camping campgrounds or contracts.
  - (e) Disregarded or violated this chapter or the rules of the commissioner pertaining to this chapter.
  - (f) Controlled an entity to which subdivision (b), (c), (d) or (e) applies.

7. Procurement or an attempt to procure a public report by fraud, misrepresentation or deceit or by filing an application for a public report that is materially false or misleading.

8. Failure of the declaration for a condominium created pursuant to title 33, chapter 9, article 2 to comply with the requirements of section 33-1215 or failure of the plat for the condominium to comply with the requirements of section 33-1219. The commissioner may require an applicant for a public report to submit a notarized statement signed by the subdivider or an engineer or attorney licensed to practice in this state certifying that the condominium plat and declaration of condominium are in compliance with the requirements of sections 33-1215 and 33-1219. If the notarized statement is provided, the commissioner is entitled to rely on this statement.

9. Failure of any blanket encumbrance or valid supplementary agreement executed by the holder of the blanket encumbrance to contain provisions that enable the purchaser to acquire title to a lot or parcel free of the lien of the blanket encumbrance, on completion of all payments and performance of all of the terms and provisions required to be made or performed by the purchaser under the real estate sales contract by which the purchaser has acquired the lot or parcel. The subdivider shall file copies of documents acceptable to the commissioner containing these provisions with the commissioner before the sale of any subdivision lot or parcel subject to a blanket encumbrance.

10. Failure to demonstrate permanent access to the subdivision lots or parcels.

11. The use of the lots presents an unreasonable health risk.

F. It is unlawful for a subdivider to sell any lot in a subdivision unless one of the following occurs:

1. All proposed or promised subdivision improvements are completed.
2. The completion of all proposed or promised subdivision improvements is assured by financial arrangements acceptable to the commissioner. The financial arrangements may be made in phases for common community and recreation facilities required by a municipality or county as a stipulation for approval of a plan for a master planned community.
3. The municipal or county government agrees to prohibit occupancy and the subdivider agrees not to close escrow for lots in the subdivision until all proposed or promised subdivision improvements are completed.
4. The municipal or county government enters into an assurance agreement with any trustee not to convey lots until improvements are completed within the portion of the subdivision containing these lots, if the improvements can be used and maintained separately from the improvements required for the entire subdivision plat. The agreement shall be recorded in the county in which the subdivision is located.

G. If the subdivision is within an active management area, as defined in section 45-402, the commissioner shall deny issuance of a public report or the use of any exemption pursuant to section 32-2181.02, subsection B unless the subdivider has been issued a certificate of assured water supply by the director of water resources and has paid all applicable fees pursuant to sections 48-3772 and 48-3774.01, or unless the subdivider has obtained a written commitment of water service for the subdivision from a city, town or private water company designated as having an assured water supply by the director of water resources pursuant to section 45-576 or is exempt from the requirement pursuant to section 45-576.

H. In areas outside of active management areas, if the subdivision is located in a county that has adopted the provision authorized by section 11-823, subsection A or in a city or town that has enacted an ordinance pursuant to section 9-463.01, subsection O, the commissioner shall deny issuance of a public report or the use of any exemption pursuant to section 32-2181.02, subsection B unless one of the following applies:

1. The director of water resources has reported pursuant to section 45-108 that the subdivision has an adequate water supply.
2. The subdivider has obtained a written commitment of water service for the subdivision from a city, town or private water company designated as having an adequate water supply by the director of water resources pursuant to section 45-108.
3. The plat was approved pursuant to an exemption authorized by section 9-463.01, subsection K, pursuant to an exemption authorized by section 11-823, subsection B, paragraph 1, pursuant to an exemption granted by the director of water resources under section 45-108.02 and the exemption has not expired or pursuant to an exemption granted by the director of water resources under section 45-108.03.
4. The subdivision received final plat approval from the city, town or county before the requirement for an adequate water supply became effective in the city, town or county, and there have been no material changes to the plat since the final plat approval. If changes were made to the plat after the final plat approval, the director of water resources shall determine whether the changes are material pursuant to the rules adopted by the director to implement section 45-108.

I. A subdivider shall not sell or lease or offer for sale or lease in this state any lots, parcels or fractional interests in a subdivision without first obtaining a public report from the commissioner except as provided in section 32-2181.01 or 32-2181.02, and a certificate of administrative completeness issued pursuant to this section. Unless exempt, the sale or lease of subdivided lands prior to issuance of the public report or failure to deliver the public report to the purchaser or lessee shall render the sale or lease rescindable by the purchaser or lessee. An action by the purchaser or lessee to rescind the transaction shall be brought within three years of the date of execution of the purchase or lease agreement by the purchaser or lessee. In any rescission action, the prevailing party is entitled to reasonable attorney fees as determined by the court.

J. On a print advertisement in a magazine or newspaper or on an internet advertisement that advertises a specific

lot or parcel of a subdivider, the subdivider shall include a disclosure stating that “a public report is available on the state real estate department’s website”.

K. Any applicant objecting to the denial of a public report, within thirty days after receipt of the order of denial, may file a written request for a hearing. The commissioner shall hold the hearing within twenty days after receipt of the request for a hearing unless the party requesting the hearing has requested a postponement. If the hearing is not held within twenty days after a request for a hearing is received, plus the period of any postponement, or if a proposed decision is not rendered within forty-five days after submission, the order of denial shall be rescinded and a public report issued.

L. On the commissioner’s own motion, or when the commissioner has received a complaint and has satisfactory evidence that the subdivider or the subdivider’s agent is violating this article or the rules of the commissioner or has engaged in any unlawful practice as defined in section 44-1522 with respect to the sale of subdivided lands or deviated from the provisions of the public report, the commissioner may investigate the subdivision project and examine the books and records of the subdivider. For the purpose of examination, the subdivider shall keep and maintain records of all sales transactions and funds received by the subdivider pursuant to the sales transactions and shall make them accessible to the commissioner upon reasonable notice and demand.

M. On the commissioner’s own motion, or when the commissioner has received a complaint and has satisfactory evidence that any person has violated this article or the rules of the commissioner or has engaged in any unlawful practice as defined in section 44-1522 with respect to the sale of subdivided lands or deviated from the provisions of the public report or special order of exemption, or has been indicted for fraud or against whom an information for fraud has been filed or has been convicted of a felony, before or after the commissioner issues the public report as provided in subsection A of this section, the commissioner may conduct an investigation of the matter, issue a summary order as provided in section 32-2157, or provide notice and hold a public hearing and, after the hearing, may issue the order or orders the commissioner deems necessary to protect the public interest and ensure compliance with the law, rules or public report or the commissioner may bring action in any court of competent jurisdiction against the person to enjoin the person from continuing the violation or engaging in or doing any act or acts in furtherance of the violation. The court may make orders or judgments, including the appointment of a receiver, necessary to prevent the use or employment by a person of any unlawful practices, or which may be necessary to restore to any person in interest any monies or property, real or personal, that may have been acquired by means of any practice in this article declared to be unlawful.

N. When it appears to the commissioner that a person has engaged in or is engaging in a practice declared to be unlawful by this article and that the person is concealing assets or self or has made arrangements to conceal assets or is about to leave the state, the commissioner may apply to the superior court, ex parte, for an order appointing a receiver of the assets of the person or for a writ of ne exeat, or both.

O. The court, on receipt of an application for the appointment of a receiver or for a writ of ne exeat, or both, shall examine the verified application of the commissioner and other evidence that the commissioner may present the court. If satisfied that the interests of the public require the appointment of a receiver or the issuance of a writ of ne exeat without notice, the court shall issue an order appointing the receiver or issue the writ, or both. If the court determines that the interests of the public will not be harmed by the giving of notice, the court shall set a time for a hearing and require notice be given as the court deems satisfactory.

P. If the court appoints a receiver without notice, the court shall further direct that a copy of the order appointing a receiver be served on the person engaged in or engaging in a practice declared to be unlawful under this article by delivering the order to the last address of the person that is on file with the state real estate department. The order shall inform the person that the person has the right to request a hearing within ten days of the date of the order and, if requested, the hearing shall be held within thirty days from the date of the order.

**32-2183.01. Advertising material; contents; order prohibiting use; costs of investigation; drawings or contests**

A. Within ten days after request by the commissioner, the subdivider shall file with the commissioner a copy of any advertising material used in connection with sales of the subdivided lands.

B. No advertising, communication or sales literature of any kind, including oral statements by salespersons or

other persons, shall contain:

1. Any untrue statement of material fact or any omission of material fact which would make such statement misleading in light of the circumstances under which such statement was made.
2. Any statement or representation that the lot or parcels are offered without risk or that loss is impossible.
3. Any statement or representation or pictorial representation of proposed improvements or nonexistent scenes without clearly indicating the improvements are proposed and the scenes do not exist.
4. Any statement or representation that the lot or parcels are suitable as homesites or building lots unless either of the following is true:

(a) Potable water is available from a certificated public utility or a municipal corporation and either an individual sewage disposal system will operate or a sewer system is available from a certified public utility or a municipal corporation.

(b) Facts to the contrary are clearly and conspicuously included in each advertisement pertaining to the property.

C. All advertising and sales literature shall be consistent with the information contained in the notice of intention pursuant to section 32-2181 and the public report pursuant to section 32-2183. The subdivider shall retain and have available for department review copies of all advertising materials used in marketing lots in the subdivision for three years after the last use of the advertising materials.

D. If it appears to the commissioner that any person is or has engaged in advertising or promotional practices in violation of this article, the commissioner may hold a hearing as a contested case under title 41, chapter 6, article 10 and issue such order or orders as he deems necessary to protect the public interest, or the commissioner may bring an action in any court of competent jurisdiction against such person to enjoin such person from continuing such violation.

E. The commissioner may adopt such rules and guidelines as the commissioner deems necessary to protect the public interest and to assure that all advertising and promotional practices with respect to land subject to the provisions of this article are not false or misleading.

F. It is unlawful for any owner, subdivider, agent or employee of any subdivision or other person with intent directly or indirectly to sell or lease lots or parcels subject to the provisions of this article to authorize, use, direct or aid in any advertising, communication, sales literature or promotional practice which violates this section.

G. Nothing contained in this section shall apply to the owner or publisher of a newspaper or magazine or to any other publication of printed matter wherein such advertisement appears or to the owner or operator of a radio or television station which disseminates such advertisement when the owner, publisher or operator has no knowledge of the intent, design or purpose of the advertiser.

H. For any subdivision investigation made under section 32-2183 of an out-of-state subdivision or any in-state subdivision to which the commissioner issues any order necessary to protect the public interest and insure compliance with the law, rules or public report, the subdivider shall reimburse travel and subsistence expenses incurred by the department.

I. A subdivider may hold a drawing or contest to induce prospective buyers to visit a subdivision if all of the following requirements are met:

1. The subdivision has in effect a current public report.
2. The subdivider is not the subject of an ongoing investigation by the department. The department may give permission to hold a drawing or contest to a subdivider who is the subject of an ongoing investigation.
3. The details of the contest or drawing, including the method of awarding any prize, are submitted to the department for review and approval prior to holding the contest or drawing.
4. Any drawing or contest is limited in time, scope and geographic location.
5. The material terms of the drawing or contest are fully disclosed in writing to participants.
6. No fee is charged to any person who participates in a drawing or contest.
7. No participant in a drawing or contest, as a condition of participation, must attend a sales presentation or take a tour.
8. The subdivider is in compliance with all other applicable federal, state and local laws involving drawings

or contests.

9. The subdivider is responsible at all times for the lawful and proper conduct of any drawing or contest.

### **32-2183.02. Recording of actions**

A. Whenever the commissioner issues a cease and desist order, obtains a court order enjoining further sales, issues an order of prohibition or suspends approval of a subdivision, the action shall be recorded in the book of deeds in the office of the county recorder in any county in which the subdivision property is located and include the legal description of the affected land. The commissioner shall also provide notice of the order or suspension to all affected parties with an ownership interest of record in any lot, parcel or fractional interest in the subdivision property within ten business days of issuing the order of suspension.

B. In the event of revocation of any of the orders which require recording in subsection A, an order of release shall be recorded in the same manner within ten business days after the revocation.

C. The department shall record a public notice for each plat, parcel or lot in the county in which the subdivided land is located when the land has been subdivided in violation of this article. The notice shall include the legal description of the affected land and provide that a city or town pursuant to authority granted by the state under title 9 or to a county pursuant to authority granted under title 11 may decline to issue building permits for the land until the requisite state and local approval is acquired. The department shall record a release in the same manner within ten business days after the subdivision is in compliance with this article.

### **32-2183.03. Civil liabilities**

A. When any part of the notice of intention filed pursuant to section 32-2181 contains an untrue statement of a material fact or omits a material fact required to be stated in such notice, the subdivider or agent shall be liable as provided in this section to any person who acquires a lot or parcel in the subdivision covered by such notice of intention during such period the notice of intention remained uncorrected unless at the time of such acquisition the person acquiring the lot knew of such untruth or omission.

B. Any subdivider or agent who sells or leases a lot or parcel in a subdivision in violation of section 32-2183 or by means of a public report that contains an untrue statement of a material fact or omits a material fact required to be stated in such report shall be liable to the purchaser of such lot or parcel as provided in this section unless at the time of purchase the purchaser knew of the untruth or omission.

C. It is unlawful for a subdivider or agent in selling or leasing, or offering to sell or lease, any lot or parcel in a subdivision to:

1. Employ any device, scheme or artifice to defraud.
2. Obtain money or property by means of a material misrepresentation with respect to any information included in the notice of intention or the public report or with respect to any other information pertinent to the lot, parcel or subdivision and on which the purchaser relies.
3. Engage in any transaction, practice or course of business that operates or would operate as a fraud or deceit on a purchaser.

D. Except as provided in subsection E of this section, damages in any suit brought pursuant to this section shall be the difference between the purchase price of the lot or parcel plus the cost of any improvements made to such lot or parcel and the following applicable amount:

1. The price at which such lot or parcel was sold in a bona fide market transaction prior to suit or judgment.
2. If the lot or parcel has not been sold before judgment, the current market value of the lot or parcel and any improvements as of the date the suit was filed.

E. The damages described in subsection D of this section shall not exceed the dollar amount that is the difference in price or market value that results from the untrue statement of material fact or omission of material fact that is required to be stated in the public report.

F. In any action in which a violation of this section is established the purchaser shall also be entitled to recover reasonable attorney fees as determined by the court. If a violation is not established, the court, in its discretion, may award reasonable attorney fees to the defendant.

G. Every person who becomes liable to make any payment pursuant to this section may recover contribution as

in cases of contract from any person who, if sued separately, would have been liable to make the same payment.

H. In no case shall the amount recoverable pursuant to this section exceed the sum of the purchase price of the lot or parcel, the reasonable cost of improvements installed by the purchaser and reasonable court costs and attorneys' fees.

I. Nothing contained in this section shall be construed to preclude any other remedies that may exist at law or in equity.

J. No action shall be maintained to enforce any liability created pursuant to subsection A or B of this section unless brought within one year after the discovery of the untrue statement or the omission or after such discovery should have been made by the exercise of reasonable diligence. No action shall be maintained to enforce any liability created pursuant to subsection C of this section unless brought within two years after the violation on which it is based. In no event shall any such action be brought by a purchaser more than three years after the sale or lease to such purchaser.

### **32-2183.04. Surety bond requirement; form; cancellation; effective date; certificate of deposit**

A. In addition to any other fees assessed under this chapter, any subdivider prior to the sale or lease of any existing unimproved lots or parcels and any subdivider who is subsequently required to give notice under section 32-2181 or 32-2195 or who petitions for exemption under section 32-2181.01 may be required to post a surety bond with the commissioner if any of the following applies:

1. The subdivider has been found in violation of any subdivision laws of this state or of any other state or any of the rules of the state real estate department.
2. The subdivider has been found in violation of the interstate land sales full disclosure act or any of the rules and regulations of the office of interstate land sales registration.
3. The subdivider has been found by a court of competent jurisdiction to be guilty of fraud or misrepresentation in the sale of subdivided lands and the finding or determination has become a final adjudication.
4. The subdivider has been found by an administrative agency to be guilty of fraud or misrepresentation in the sale of subdivided lands and from the decision there is no appeal.

B. The bond required by subsection A of this section shall be in a form acceptable to the commissioner and shall be executed by the subdivider as principal with a corporation duly authorized to transact surety business in this state. Evidence of a surety bond shall be submitted to the commissioner in accordance with rules adopted by the commissioner. The bond shall be in favor of the state and shall be subject to claims by any person who is injured by the fraud or misrepresentation of a subdivider in the purchase or lease of a lot or parcel. One bond shall be required for each subdivision or each common plan of subdivided lands subject to the requirements of article 7 of this chapter. The principal sum of the bond shall be in an amount the commissioner deems necessary to protect purchasers when the volume of business of the subdivider and other relevant factors are taken into consideration.

C. The surety bond shall continue in effect until two years after all sales within the subdivision or common plan have been completed. No suit may be maintained on the bond after the expiration of two years following the subdivider's sale or lease of a lot or parcel to the person maintaining the action.

D. Upon receipt by the commissioner of notice to cancel a bond by any surety, the commissioner shall immediately notify the subdivider on the bond of the effective date of cancellation of the bond and the subdivider shall furnish a like bond within thirty days after mailing of notice by the commissioner or the subdivider's right to sell or lease lots or parcels in any subdivision shall be suspended. Notice to the subdivider shall be by certified mail in a sealed envelope with postage fully prepaid, addressed to the subdivider's latest address of record in the commissioner's office. The subdivider's right to sell or lease lots or parcels shall be suspended by operation of law on the date the bond is canceled, unless a replacement bond is filed with the commissioner.

C. For any lot reservation or conditional sale that occurs before the issuance of a public report, the disclosure statements listed in subsection A of this section shall be included within the reservation document or conditional sales contract.

D. This section does not require the amendment or reissuance of any public report issued on or before December 31, 2004 that is applicable to property located under a military training route, as delineated in the military training route map prepared by the state land department pursuant to section 37-102 or on or before December 31, 2008 that is applicable to property located in a military electronics range, as delineated in the military electronics range map prepared by the state land department pursuant to section 37-102 or the amendment or reissuance of any reservation document or conditional sales contract accepted on or before December 31, 2004 or on or before December 31, 2008.

E. Notwithstanding any other law, if the public report complies with subsection A of this section, a subdivider is not liable to any person or governmental entity for any act or failure to act in connection with the disclosure of a military training route as delineated in the military training route map or a military electronics range as delineated in the military electronics range map.

F. This section shall not be construed to require a public report issued sixty or fewer days prior to the filing of the military electronics range map prepared pursuant to section 37-102 to meet the military electronics range notification requirements of this section.

G. A public report issued sixty-one or more days after the filing of the military electronics range map prepared pursuant to section 37-102 shall meet all of the requirements of subsection A of this section.

E. Notwithstanding any other law, if the public report complies with subsection A of this section, a subdivider is not liable to any person or governmental entity for any act or failure to act in the disclosure of restricted air space as delineated in the restricted air space map.

### **32-2184. Change of subdivision plan after approval by commissioner; notice**

A. It is unlawful for any subdivider, after submitting to the commissioner the plan under which a subdivision is to be offered for sale or lease, and securing his approval, to change the plan materially or to continue to offer lots or parcels within the subdivision for sale or lease after a change has occurred that materially affects the plan without first notifying the commissioner in writing of the intended change. Material changes covered by this section shall be prescribed in the rules of the commissioner. Upon receipt of any notice of a material change, the commissioner may require the amendment of the public report and, if he determines such action to be necessary for the protection of purchasers, suspend his approval of sale or lease pending amendment of the public report in accordance with section 32-2157.

B. If there has been a material change to the plan under which a subdivision is offered for sale or lease and an amendment to the public report is required, a purchaser or lessee who has executed a real estate sales contract or lease before the occurrence of the material change but has not yet completed performance under the real estate sales contract or has not taken possession under the lease may cancel the real estate sales contract or lease within ten days after receiving written notice from the subdivider of the material change if the material change adversely impacts the purchaser or lessee and was caused by the subdivider or an entity controlled by the subdivider or if the subdivider had actual knowledge of the material change at the time the real estate sales contract or lease was executed by the purchaser or lessee. Notwithstanding that the subdivider was not aware of the material change and did not cause the change to come about, the purchaser or lessee may cancel the sales contract or lease as provided by this subsection if the material change would involve an occupant's health, safety or ability to make designated use of the lot. This subsection does not create any cause of action, for rescission or otherwise, in favor of a purchaser who has not been impacted adversely by the material change.

C. A filing fee of one-half of the amount that was charged for the initial public report pursuant to section 32-2182, but no less than two hundred fifty dollars, shall accompany an application for an amended public report. If inspection of a subdivision site is necessary, the department shall assess an inspection fee pursuant to section 32-2182, subsection A.

### **32-2185. Delivery of clear title by vendor on performance of contract by vendee**

It is unlawful to sell to any purchaser any subdivision lot or parcel that is subject to a blanket encumbrance, unless there is a provision in the blanket encumbrance, or in a valid supplementary agreement executed by the holder of the blanket encumbrance, enabling the purchaser to acquire title to the lot or parcel free of the blanket encumbrance upon completion of all payments and performances of all the terms and provisions required to be made or performed by the purchaser under the real estate sales contract. Certified or verified copies of documents acceptable to the commissioner containing such provisions shall be filed with the commissioner prior to the sale of any subdivision lot or parcel subject to a blanket encumbrance.

### **32-2185.01. Sale of unimproved lots or parcels; conditions precedent; methods**

The subdivider shall clearly and conspicuously disclose, in accordance with regulations adopted by the commissioner, the right to rescind provided for in this subsection and shall provide, in accordance with regulations adopted by the commissioner, an adequate opportunity to exercise the right to rescission within the time limit set forth in this subsection. The commissioner may adopt regulations to exempt commercial and industrial subdivisions from such requirements.

An infraction that concerns more than one lot in a subdivision is a single infraction for the purposes of this section.

B. 1. Speculation, including lost profits and other unrealized losses.

### **32-2188. Statute of limitations; service of summons; application for payment; insufficient monies; definition**

A. An action for a judgment that subsequently results in an order for payment from the real estate recovery fund shall not be started later than five years from the accrual of the cause of action.

B. If an aggrieved person commences an action for a judgment that may result in an order for payment from the real estate recovery fund, and the defendant licensee cannot be served process personally in this state, the summons may be served by the alternative methods of service provided for by the Arizona rules of civil procedure, including service by publication. A judgment that complies with the provisions of this section and that was obtained after service by publication only applies to and is enforceable against the real estate recovery fund. The department may intervene in and defend any such action.

C. An aggrieved person may apply to the department for payment from the real estate recovery fund after the aggrieved person obtains a judgment against a real estate or cemetery broker or salesperson based on the licensee's act, representation, transaction or conduct in violation of this chapter or the rules adopted pursuant to this chapter. The claimant must file the original application, including appendices, within two years after the termination of all proceedings, reviews and appeals connected with the judgment. The commissioner, in the commissioner's sole discretion, may waive the two-year application deadline if the commissioner determines that the waiver best serves the public interest. Delivery of the application must be by personal service or by certified mail, return receipt requested.

D. The application must be within the limitations prescribed in section 32-2186 for the amount unpaid on the judgment that represents the claimant's actual and direct loss on the transaction.

E. The department shall prescribe and supply an application form that includes detailed instructions with respect to documentary evidence, pleadings, court rulings, the products of discovery in the underlying litigation and notice requirements to the judgment debtor under section 32-2188.01. The claimant must submit the claim on an application form supplied by the department. The application must include:

1. The claimant's name and address.
2. If the claimant is represented by an attorney, the attorney's name, business address and telephone number.
3. The judgment debtor's name and address or, if unknown, the names and addresses of persons who may know the judgment debtor's present location.
4. A detailed narrative statement of the facts explaining the allegations of the complaint on which the underlying judgment is based, with a copy of the contracts, receipts and other documents from the transaction, the last amended complaint, all existing recorded judgments, documentation of actual and direct out-of-pocket losses and any offsetting payment received and all collection efforts attempted.

5. The identification of the judgment, the amount of the claim and an explanation of its computation, including an itemized list of actual and compensatory damages awarded and claimed.

6. For the purpose of an application that is not based on a criminal restitution order, a statement by the claimant, signed under penalty of perjury, that the complaint on which the underlying judgment is based was prosecuted conscientiously and in good faith. For the purposes of this paragraph, "conscientiously and in good faith" means that all of the following apply:

- (a) No party that was potentially liable to the claimant in the underlying transaction was intentionally and without good cause omitted from the complaint.
- (b) No party named in the complaint who otherwise reasonably appeared capable of responding in damages was intentionally and without good cause dismissed from the complaint.
- (c) The claimant employed no other procedural means contrary to the diligent prosecution of the complaint in order to seek to qualify for the recovery fund.

7. For the purpose of an application that is based on a criminal restitution order, all of the following statements by the claimant, signed under penalty of perjury:

- (a) The claimant has not intentionally and without good cause failed to pursue any person potentially liable to the claimant in the underlying transaction other than a defendant who is the subject of a criminal restitution order.
- (b) The claimant has not intentionally and without good cause failed to pursue in a civil action for damages all persons potentially liable to the claimant in the underlying transaction who otherwise reasonably appeared capable of responding in damages other than a defendant who is the subject of a criminal restitution order.
- (c) The claimant employed no other procedural means contrary to the diligent prosecution of the complaint in order to seek to qualify for the recovery fund.

8. The following statements, signed under penalty of perjury, and information from the claimant:

- (a) The claimant is not a spouse of the judgment debtor or a personal representative of the spouse.
- (b) The claimant has complied with all of the requirements of this article.
- (c) The judgment underlying the claim meets the requirements of this article.
- (d) The claimant has recorded a certified copy of the superior court judgment or transcript of judgment pursuant to sections 33-961 and 33-962 in the county where the judgment was obtained and in the counties where all judgment debtors reside and has provided a copy of the recorded judgment to the commissioner.
- (e) The claimant has caused the judgment debtor to make discovery under oath, pursuant to section 12-1631, concerning the debtor's property.
- (f) The claimant has caused a writ of execution to be issued on the judgment and the officer executing the writ has made a return showing either:
  - (i) That no personal or real property of the judgment debtor liable to be levied on in satisfaction of the judgment could be found, sold or applied.
  - (ii) That the amount realized on the sale of the property, or as much of the property that was found, under the execution was insufficient to satisfy the judgment.
- (g) The claimant has caused a writ of garnishment to be issued to each known employer of the judgment debtor ascertained by the claimant, that each garnishee-defendant has complied with the respective writ and any judgment or order resulting from the writ and that the amount realized from all judgments against the garnishee-defendants was insufficient to satisfy the balance due on the judgment.
- (h) The claimant has deducted the following amounts from the actual or compensatory damages awarded by the court:
  - (i) Any amount recovered or anticipated from the judgment debtor or debtors.
  - (ii) Any amount recovered through collection efforts undertaken pursuant to subdivisions (d) through (g) of this paragraph and including an itemized valuation of the assets discov-

ered and amounts applied.

(iii) Any amount recovered or anticipated from bonding, insurance or title companies, including recovery of punitive damages.

(iv) Any amount recovered or anticipated from in-court or out-of-court settlements.

(v) Any amount of tax benefits accrued or taken as deductions on federal, state or local income tax returns.

F. If the claim is based on a judgment against a salesperson or broker and the claimant has not obtained a judgment against the salesperson's or broker's employing broker, if any, or has not diligently pursued the assets of the employing broker, the department shall deny the claim for failure to diligently pursue the assets of all other persons liable to the claimant in the transaction unless the claimant demonstrates, by clear and convincing evidence, that either:

1. The salesperson or broker was not employed by a broker at the time of the transaction.

2. The salesperson's or broker's employing broker would not have been liable to the claimant because the salesperson or broker acted outside the scope of employment in the transaction.

G. The commissioner, at the commissioner's sole discretion, may waive compliance with one or more of the requirements enumerated in subsection E, paragraph 8 or subsection F of this section if the claim is based on an award pursuant to a criminal restitution order or if the commissioner is satisfied that the claimant has taken all reasonable steps to collect the amount of the judgment or the unsatisfied part of the judgment from all judgment debtors but has been unable to collect.

H. If the commissioner finds it is likely that the total remaining liability of the recovery fund is insufficient to pay in full the valid claims of all aggrieved persons who may have claims against any one licensee, the commissioner may petition the court to initiate a proration proceeding. The court shall grant the petition and order a hearing to distribute the total remaining liability of the fund among the applicants in the ratio that their respective claims bear to the aggregate of the valid claims or in such other manner as the court deems equitable. The commissioner or any party may file a proposed plan for equitable distribution of the available monies. The distribution of monies shall be among the persons entitled to share them, without regard to the order of priority in which their respective judgments may have been obtained or their respective applications may have been filed. The court may require all applicants and prospective applicants against one licensee to be joined in one action, to the end that the respective rights of all the applicants to the recovery fund may be equitably adjudicated and settled. The court shall not include in the claims for proration the claim of any person who has not, within ninety days after the court has entered the order for proration, filed a complaint with the court, served the licensee and provided written notice of the claim to the commissioner. The liability of the fund on any application affected by a proration proceeding is based on the limits in effect on the date when the last application for payment is filed. The court may refuse to consider or award prorated recovery to any person who fails to expeditiously prosecute a claim against the licensee or promptly file an application for payment and submit supporting documentation as required by this article.

I. If the commissioner pays from the real estate recovery fund any amount in settlement of an applicant's claim or toward satisfaction of a judgment against a licensed broker, designated broker for a corporation or salesperson, the license of the broker, designated broker for a corporation or salesperson shall be automatically terminated upon the issuance of an order authorizing payment from the real estate recovery fund. A broker, designated broker for a corporation or salesperson is not eligible to receive a new license until the licensee has repaid in full, plus interest at the rate provided by section 44-1201, the amount paid from the real estate recovery fund on the licensee's account and has provided evidence to the commissioner that the judgment has been fully satisfied.

J. If, at any time, the money deposited in the real estate recovery fund is insufficient to satisfy any duly authorized claim or portion of a claim, the commissioner shall, when sufficient money has been deposited in the real estate recovery fund, satisfy the unpaid claims or portions of claims, in the order that the claims or portions of claims were originally filed, plus accumulated interest at the rate of four per cent a year.

K. For the purposes of this section, "complaint" means the facts of the transaction on which the judgment is based.

### **32-2188.01. Notice of claim to judgment debtor; response**

A. Within the same time prescribed by section 32-2188, subsection C for applying for payment from the real estate

### **32-2188.02. Correction of deficiencies in the application**

A. If the commissioner determines that a claimant's application fails to comply substantially with the requirements of section 32-2188 or rules adopted pursuant to this chapter, the commissioner, within thirty calendar days after receiving the application, shall mail an itemized list of deficiencies to the claimant. For the purposes of this subsection, "comply substantially" means filing with the department the documents that are minimally necessary to process a claim, including at least a certified copy of the judgment, legible copies of documents establishing the underlying transaction and amounts of losses suffered and a statement concerning amounts recovered from or on behalf of the judgment debtor.

B. The claimant must respond within sixty calendar days after receiving the list of deficiencies by providing the information identified by the commissioner. If the claimant fails to correct the deficiencies within sixty calendar days, the department shall close the file unless the claimant requests an extension in writing. A claimant whose file has been closed may submit a new application as provided by section 32-2188.

C. The deadline prescribed by section 32-2188.04 for the commissioner to make a decision on the application is suspended from the date the commissioner mails the list of deficiencies to the applicant until the date the department receives the requested information.

2. An application is deficient or fails to comply substantially with the requirements of section 32-2188 or rules adopted pursuant to this chapter as determined pursuant to section 32-2188.02. C. The commissioner may approve or deny an application or may enter into a compromise with the claimant to pay less in settlement than the full amount of the claim. If the claimant refuses to accept a settlement offered by the commissioner, the commissioner shall deny the claim.

D. The commissioner shall give notice of a decision and order with respect to the claim to the claimant and to any judgment debtor who has filed a timely response to the claim pursuant to section 32-2188.01 as follows:

1. If the commissioner denies the application, the notice shall include the following:

If you desire a judicial review of the commissioner’s decision and order or the termination of your licenses and license rights, you may petition the superior court, in the county in which the judgment that is the basis of this claim was rendered, for a judicial review. To be timely, you must file the petition with the court within 30 calendar days after receiving this notice.”

### **32-2188.05. Claimant’s right to appeal denial of claim; service of notice of appeal; response; failure to file response**

A. A claimant whose application is denied pursuant to section 32-2188.04 may file within six months after receiv-

ing notice of a denial of the claim a verified application in the court in which judgment was entered in the claimant’s favor for an order directing payment out of the real estate recovery fund based on the grounds set forth in the claimant’s application to the commissioner.

B. The claimant must serve a copy of the verified application on the commissioner and on the judgment debtor and file a certificate or affidavit of service with the court. Service on the commissioner shall be made by certified mail addressed to the commissioner. Service on a judgment debtor shall be made according to section 32-2188.01 and shall include the following notice:

C. The commissioner and the judgment debtor each must file a written response within thirty calendar days after being served with the application under subsection B of this section. The court shall thereafter set the matter for hearing on the petition of the claimant. The court shall grant a request of the commissioner for a continuance of as much as thirty calendar days and, on a showing of good cause by any party, may continue the hearing for such time as the court considers to be appropriate.

D. At the hearing, the claimant must establish compliance with the requirements of section 32-2188.

E. If the judgment debtor fails to file a written response to the application, the commissioner may compromise or settle the claim at any time during the court proceedings and, on joint petition of the applicant and the commissioner, the court shall issue an order directing payment out of the real estate recovery fund.

### **32-2189. Management of fund**

A. The sums received by the commissioner pursuant to any provisions of this article shall be deposited, pursuant to sections 35-146 and 35-147, in the real estate recovery fund and shall be held by the commissioner in trust for carrying out the purposes of this article.

C. Notwithstanding any other law, the commissioner may expend interest monies from the fund necessary to increase public awareness of the fund, not to exceed fifty thousand dollars in any fiscal year.

### **32-2191. Commissioner’s standing in court**

The commissioner may enter an appearance, file an answer, appear at the court hearing, defend the action or take whatever other action the commissioner considers appropriate on the behalf and in the name of the real estate recovery fund and take recourse through any appropriate method of review on behalf of, and in the name of, the real estate recovery fund.

### **32-2192. Subrogation of rights; collection**

A. Before receiving payment from the fund, a claimant must complete and execute, as judgment creditor, an assignment of judgment lien and notice of subrogation and assignment of rights to the claimant’s judgment on a form provided by the department.

B. If the commissioner has paid from the real estate recovery fund any sum to the judgment creditor, the commissioner shall be subrogated to all of the rights of the judgment creditor and the judgment creditor shall assign all the right, title and interest in the judgment to the commissioner. The commissioner may record the assignment of judgment lien and notice of subrogation and assignment of rights. Any amount and interest so recovered by the commissioner on the judgment shall be deposited to the fund.

C. If the commissioner is subrogated to a claimant's rights as judgment creditor, the claimant shall not file a full or partial satisfaction of judgment without the commissioner's prior written consent.

D. If the court determines that the interests of the public will not be harmed by the giving of notice, the court shall set a time for a hearing and require that such notice be given as the court deems satisfactory.

I. The trustee must be one in which no officer, director or owner of the cemetery is financially interested in any way.
2. The principal of the trust fund shall remain permanently intact, and only the income or the unitrust amount specified in section 14-11014 or 14-11015 shall be expended. It is the intent of this section that the income or unitrust amount of the fund shall be used solely for the care of plots or other burial spaces sold to third persons with a provision for perpetual or endowed care and the care of such other portions of the cemetery immediately surrounding such plots as may be necessary to preserve the beauty and dignity of the plots sold. The fund or its income shall never be used for the development, improvement or embellishment of unsold portions of the cemetery so as to relieve the owner of the cemetery of the ordinary cost incurred in preparing such property for sale.
3. A financial institution acting as a trustee does not have a legal obligation to operate a cemetery other than providing trust fund income to the receiver or successor of a cemetery unable to meet its perpetual care obligations. A trustee, in its sole discretion and without the approval of the court, may convert the trust to a total return unitrust and administer the endowed-care fund as provided in section 14-11014.

### **32-2194.28. Deposit in endowed-care fund from sales**

A. In addition to establishing a trust fund as required by this article, every perpetual or endowed-care cemetery shall deposit into its trust fund according to the following schedule for each sale within thirty days after the contract for the purchase of cemetery property is paid in full:

1. Two dollars seventy-five cents per square foot for each grave.
2. Thirty-six dollars for each niche.
3. One hundred twenty dollars for each crypt.

B. In addition to the deposits required in subsection A of this section, a cemetery may deposit in its trust fund up to fifteen per cent of the gross sales price of a grave, niche or crypt.

C. This section applies to every cemetery which in any way represents that it is a perpetual or endowed-care cemetery, regardless of whether it operated as a perpetual or endowed-care cemetery before July 2, 1963.

D. In the case of a perpetual or endowed-care cemetery which was in operation as a perpetual or endowed-care

cemetery before July 2, 1963, the fund created by the deposits which subsection A of this section requires is subject to the same restrictions to which the trust funds required by sections 32-2194.24 and 32-2194.25 are subject.

### **32-2194.29. Posting of signs by cemeteries**

Each cemetery shall post in a conspicuous place in the office or offices where sales are conducted and in a conspicuous place at or near the entrance of the cemetery or its administration building, and readily accessible to the public, a legible sign in lettering of a size and style to be approved by the real estate commissioner indicating either the cemetery is an endowed or a nonendowed cemetery.

### **32-2194.30. Restriction on use of care funds**

Endowed-care funds shall not be used for any purpose other than to provide for the care of burial spaces as prescribed in section 32-2194.27. In investing these funds, the trustee shall exercise the judgment and care of a prudent investor under the circumstances then prevailing, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income or unitrust amount as well as the probable safety of their capital. Within the limitations of the foregoing standard, and subject to any express provisions or limitations contained in any particular trust instrument, a trustee is authorized to acquire every kind of property, real, personal or mixed, and every kind of investment, specifically including corporate obligations of every kind and stocks, preferred or common, that prudent investors acquire for their own account.

### **32-2194.31. Crematories**

Crematories which are licensed as part of a cemetery under this chapter shall comply with the requirements of chapter 12, article 6 of this title and rules adopted pursuant to that article.

### **32-2194.32. Opening and closing of burial places**

If any grave, mausoleum, niche or other place used or intended to be used for the burial of human remains is located in a cemetery, only a person employed or designated by the cemetery may open or close the grave, mausoleum, niche or other place used or intended to be used for the burial of human remains, subject to the rules established by the cemetery.

### **32-2194.33. Cemetery property owners; address notification reclamation; abandoned cemetery plot**

A. For the purposes of this section, an owner of cemetery property in any cemetery licensed under this chapter shall keep the cemetery informed in writing of the owner's current residence address. Before initiating a notice of abandonment, the cemetery shall notify each cemetery property owner by letter at the owner's last known address and notify all future cemetery property owners, in the contract for sale and the certificate of ownership, of the requirement to keep the cemetery informed in writing of their current residence address.

B. There is a presumption that cemetery property in any cemetery licensed under this chapter has been abandoned when an owner of unused cemetery property has failed to provide the cemetery with a current residence address for a period of fifty consecutive years and as a result the cemetery is unable to communicate by certified mail with the owner of the unused cemetery property. There is not a presumption of abandonment if either of the following occurs:

1. Cemetery property held in common ownership is adjoining whether in a grave space, plot, mausoleum, columbarium or other place of interment and is used within common ownership.
2. Any type of memorial marker has been placed on or attached to the cemetery property.

C. On the occurrence of a presumption of abandonment as prescribed by subsection B of this section, a cemetery may file with the department a certified notice attesting to the abandonment of the cemetery property. The notice shall do the following:

1. Describe the cemetery plot certified to have been abandoned.
2. Set forth the name of the last known owner of the cemetery plot or, if the owner is known to the ceme-

tery to be deceased, the names, if known to the cemetery, of claimants that are heirs at law, next of kin or specific devisees under the will of the owner.

3. Describe the failure of the owner or claimants as prescribed by paragraph 2 of this subsection to keep the cemetery informed of the owner's current residence address for a period of fifty consecutive years or more.

4. Certify that cemetery property has not been included that is held in common ownership with any abandoned cemetery property as prescribed by subsection B of this section and that a memorial marker has not been placed on or attached to the cemetery property.

D. Irrespective of diversity of ownership of the cemetery property, a cemetery may include in its certification cemetery properties of various types.

E. The cemetery shall publish a notice of the approved abandoned cemetery property once each week for two consecutive weeks in a newspaper of general circulation in the county in which the cemetery property is located.

F. After one hundred twenty days from the final publication of the notice as provided in subsection E of this section, if there has been no notification of the address of the current owner, the cemetery shall have the right to resell the cemetery property and transfer the ownership of the cemetery property as provided in the cemetery's certificate of authority.

G. On the sale of each lot, grave, niche or crypt reclaimed pursuant to this section, the cemetery shall contribute to the endowed-care trust fund the amount currently required by section 32-2194.28.

H. On showing of evidence of right of ownership, persons or their heirs who were owners of cemetery property that was sold under this section shall have the right at any time to obtain equivalent cemetery property in the cemetery without additional charge. If no cemetery property is desired, the persons or their heirs may obtain and recover the amount originally paid to the cemetery for the cemetery property.

I. The cemetery shall make available cemetery property equal to ten per cent of the abandoned cemetery property sold under this section for the use of persons or their heirs who were owners of cemetery property that was sold under this section and who have the right at any time to obtain cemetery property in the cemetery under this section.

J. Persons who purchase cemetery property reclaimed pursuant to this section shall have the right to sell, alienate or otherwise transfer the cemetery property subject to and in accordance with the rules of the cemetery and payment of any applicable transfer fee.

These report requirements do not require the amendment or reissuance of any public report issued on or before December 31, 2001 or on or after December 31 of the year in which the unsubdivided land becomes territory in the vicinity of a military airport or ancillary military facility. The commissioner shall require the owner or agent to reproduce the report and furnish each prospective buyer with a copy before the buyer signs an offer to purchase, taking a receipt therefor.

6. Before or after the commissioner issues a certificate of administrative completeness, the department may examine any public report, development or applicant that has applied for or received the certificate. If the owner immediately corrects the deficiency and comes into full compliance with state law, the commissioner shall vacate any action that he may have commenced pursuant to section 32-2154 or 32-2157.
7. The department shall provide forms and guidelines for the submission of the notification and public report pursuant to this section.

Any sale or lease of unsubdivided lands prior to issuance of the public report shall be voidable by the purchaser. An action by the purchaser to void the transaction shall be brought within three years of the date of execution of the purchase agreement by the purchaser. In any voidance action the prevailing party is entitled to reasonable attorney fees as determined by the court.

E. Any applicant objecting to the denial of a public report, within thirty days after receipt of the order of denial, may file a written request for a hearing. The commissioner shall hold the hearing within twenty days after receipt of the request for a hearing unless the party requesting the hearing requests a postponement. If the hearing is not held within twenty days after a request for a hearing is received plus the period of any postponement, or if a proposed decision is not rendered within forty-five days after submission, the order of denial shall be rescinded and a public report issued.

F. On the commissioner's own motion, or when the commissioner has received a complaint and has satisfactory evidence that the owner or agent is violating any provision set forth in this article or the rules of the commissioner or has engaged in any unlawful practice as defined in section 44-1522 with respect to the sale of unsubdivided lands or deviated from the provisions of the public report, the commissioner may investigate the subdivision project and examine the books and records of the owner or agent. For the purpose of examination, the owner or agent shall keep and maintain records of all sales transactions and funds received by the owner or agent pursuant to the sales transactions and shall make them accessible to the commissioner upon reasonable notice and demand.

G. On the commissioner's own motion, or when the commissioner has received a complaint and has satisfactory evidence that grounds exist as provided in subsection C of this section or that any person has engaged in any unlawful practice as defined in section 44-1522 with respect to the sale of unsubdivided lands or deviated from the

provisions of the public report, the commissioner may conduct an investigation of the matter, issue a summary order as provided in section 32-2157, or hold a public hearing and, after the hearing, may issue the order or orders the commissioner deems necessary to protect the public interest and ensure compliance with the law, rules or public report. If, after the hearing, the violation of the law, rules or public report continues, the commissioner may bring an action in any court of competent jurisdiction against the person to enjoin the person from continuing the violation or engaging in or doing any act or acts in furtherance of the violation.

21. A public report that complies with the requirements of section 32-2197.08.

22. Such other information and such other documents and certificates as the commissioner may reasonably require.

C. At the developer's request the commissioner may authorize the developer to conduct pre-sales of the timeshare plan before the issuance of a public report if the application for a public report is administratively complete, as determined by the commissioner or as established by rule. B. The purchaser may rescind the purchase agreement without cause of any kind by sending or delivering a written notice of rescission by midnight of the tenth calendar day following the day on which the purchaser or prospective purchaser executed the purchase agreement. The rescission rights shall be conspicuously disclosed in the purchase agreement. If the developer allows the rescission period to extend beyond ten calendar days, the rescission period disclosure in the purchase agreement shall reflect the longer period of time. The disclosure required by this subsection shall be printed immediately before the space reserved in the purchase agreement for the signature of the purchaser and shall include the following information:

1. The purchaser may cancel the purchase agreement without a penalty or obligation within ten calendar days, or another time period if applicable, after the purchaser signs the purchase agreement.

2. If the purchaser decides to cancel the purchase agreement, the purchaser shall notify the seller in writing of the purchaser's intent to cancel.

3. The purchaser's notice of cancellation is effective on the date the cancellation is sent and shall be sent to the seller at the seller's address. The seller's address and telephone number shall be listed in the purchase agreement.

On receipt of a written notice of a material change, the commissioner, if the commissioner determines such action to be necessary for the protection of purchasers, may suspend his approval of the sale or lease pending amendment of the public report. For sales made after the material change and pending amendment of the public report, the commissioner may require the developer to fully disclose the change in a prepared supplement to the public report. The supplement shall be delivered with the previously approved public report to all prospective purchasers until the new public report is issued. The commissioner shall not require the developer to deliver the amended public report to or obtain a receipt from prior purchasers unless the commissioner specifically finds that the developer's disclosure of the changes was not an adequate disclosure.

C. In lieu of placing monies in escrow in accordance with this section, the commissioner may accept from the developer a surety bond, irrevocable letter of credit or other financial assurance acceptable to the commissioner or as provided by rule. Any acceptable financial assurance must be in an amount equal to or in excess of the monies that would otherwise be placed in escrow or in an amount equal to or in excess of the cost to complete the incomplete property in which the timeshare interest is located.

  - (ii) A summary of the rules governing access to and use of the reservation system.
  - (iii) The existence of and an explanation regarding any priority reservation features that affect a purchaser's ability to make reservations for the use of a given accommodation on a first-reserved, first-served basis.
- (f) A description of any right to make any additions, substitutions or deletions of accommodations or amenities and a description of the basis on which accommodations and amenities may be added to, substituted in or deleted from the multisite timeshare plan.
- (g) A description of the purchaser's liability for any fees associated with the multisite timeshare plan.
- (h) The location and the anticipated relative use demand of each component site in a multisite timeshare plan as well as any periodic adjustment or amendment to the reservation system that may be needed in order to respond to actual purchaser use patterns and changes in purchaser use demand for the accommodations existing at the time within the multisite timeshare plan.
- (i) Any other information reasonably required by the commissioner or established by rule that is necessary for the protection of purchasers of timeshare interests in timeshare plans.
- (j) Any other information that the developer, with the approval of the commissioner, desires to include in the public report.

16. If a developer offers a nonspecific timeshare interest in a multisite timeshare plan, the information set forth in paragraphs 1 through 14 of this subsection as to each component site.

17. Any other information that the commissioner determines or establishes by rule is necessary to implement the purpose of this article.

B. Except as otherwise provided in this subsection, the requirements prescribed by subsection A of this section apply to a developer's application for approval to use an amended public report for the sale of timeshare interests in a timeshare plan, including an amended public report to disclose and address a material change under section 32-2197.04. A developer may elect to prepare an amended public report for use in the sale of timeshare interests as follows:

1. The developer shall prepare the amended public report and provide a copy of the report to the commissioner with the submission of the application for an amended public report, including any notification required by section 32-2197.04, and shall comply with all other requirements of this article.
2. An amendment filing fee established pursuant to section 32-2197.07 shall accompany the application prescribed by paragraph 1 of this subsection.
3. On receipt of the application and amended public report, the department shall review and, within

fifteen business days if the amendment adds less than six new component sites to the timeshare plan or within thirty calendar days if the amendment adds six or more new component sites to the timeshare plan, issue either a certification that the application and amended public report are administratively complete or a denial letter if it appears that the application, amended public report or timeshare plan is not in compliance with all legal requirements, that the applicant has a background of violations of state or federal law or that the applicant or timeshare plan presents an unnecessary risk of harm to the public. If the commissioner has received the application and amended public report but has not issued a certification or a denial letter within the required time period, the application and amended public report are deemed administratively complete.

4. The developer may commence sales or leasing activities as allowed under this article using an amended public report when the commissioner issues a certification of administrative completeness or as of the date the application and amended public report are deemed administratively complete pursuant to paragraph 3 of this subsection. The certification may be issued on paper or electronically.

5. Before or after the commissioner issues a certification of administrative completeness or, if applicable, after the application and amended public report are deemed to be administratively complete pursuant to paragraph 3 of this subsection, the department may examine any public report, timeshare plan or applicant that has applied for or received the certification. If the commissioner determines that the public report, timeshare plan or applicant is not in compliance with any requirement of state law or that grounds exist under this chapter to suspend, deny or revoke a public report, the commissioner may commence an administrative action under section 32-2154, 32-2157 or 32-2197.14. If the developer immediately corrects the deficiency and fully complies with state law, the commissioner shall promptly vacate any action that the commissioner may have commenced pursuant to section 32-2154, 32-2157 or 32-2197.14.

6. The department shall provide forms and guidelines for the submission of the application and amended public report pursuant to this subsection.

C. In the event of denial, suspension or revocation, grounds shall be set forth in writing at the time of denial, suspension or revocation. The commissioner may deny, suspend or revoke the public report on any of the following grounds:

1. Failure to comply with this article or the rules of the commissioner pertaining to this article.
2. The sale or lease would constitute misrepresentation to or deceit or fraud of the purchasers or lessees.
3. Inability to demonstrate that adequate financial or other arrangements acceptable to the commissioner have been made for completion of the timeshare property, installation of all streets, sewers, electric, gas and water utilities, drainage, flood control and other similar improvements included in the offering.
4. The developer, including if an entity, an officer, director, member, manager, partner, owner, trust beneficiary holding ten percent or more beneficial interest, stockholder owning ten percent or more of the stock or other person exercising control of the entity, has:
  - (a) Been convicted of a felony or misdemeanor involving theft, fraud or dishonesty or involving the conduct of any business or a transaction in real estate, cemetery property, timeshare interests or membership camping campgrounds or contracts.
  - (b) Been permanently or temporarily enjoined by order, judgment or decree from engaging in or continuing any conduct or practice in connection with the sale or purchase of real estate, cemetery property, timeshare interests, membership camping campgrounds or contracts, or securities or involving consumer fraud or the Arizona racketeering laws.
  - (c) Had an administrative order entered against him by a real estate regulatory agency or securities regulatory agency.
  - (d) Had an adverse decision or judgment entered against him involving fraud or dishonesty or involving the conduct of any business in or a transaction in real estate, cemetery property, timeshare interests or membership camping campgrounds or contracts.
  - (e) Disregarded or violated this chapter or the rules of the commissioner pertaining to this chapter.
  - (f) Participated in, operated or held an interest in any entity to which subdivision (b), (c), (d), or (e) of this paragraph applies.

5. If within this state, the timeshare property is incompatible with the existing neighborhood and would introduce into a neighborhood a character of property or use that would clearly be detrimental to property values in that neighborhood.

D. If the timeshare property is within an active management area, as defined in section 45-402, the commissioner shall deny issuance of a public report unless the developer has been issued a certificate of assured water supply by the director of water resources and has paid all applicable fees pursuant to sections 48-3772 and 48-3774.01, or unless the developer has obtained a written commitment of water service for the timeshare property from a city, town or private water company designated as having an assured water supply by the director of water resources pursuant to section 45-576.

E. In areas outside of active management areas, if the timeshare property is located in a county that has adopted the provision authorized by section 11-823, subsection A or in a city or town that has enacted an ordinance pursuant to section 9-463.01, subsection O, the commissioner shall deny issuance of a public report unless one of the following applies:

1. The director of water resources has reported pursuant to section 45-108 that the timeshare property has an adequate water supply.
2. The developer has obtained a written commitment of water service for the timeshare property from a city, town or private water company designated as having an adequate water supply by the director of water resources pursuant to section 45-108.
3. The timeshare property was approved pursuant to an exemption authorized by section 9-463.01, subsection K, pursuant to an exemption authorized by section 11-823, subsection B, paragraph 1, pursuant to an exemption granted by the director of water resources under section 45-108.02 and the exemption has not expired or pursuant to an exemption granted by the director of water resources under section 45-108.03.
4. The subdivision received final plat approval from the city, town or county before the requirement for an adequate water supply became effective in the city, town or county, and there have been no material changes to the plat since the final plat approval. If changes were made to the plat after the final plat approval, the director of water resources shall determine whether the changes are material pursuant to the rules adopted by the director to implement section 45-108.

F. In addition to providing to each prospective customer a copy of the public report as required in subsection A of this section, the developer shall also provide to each customer before the close of any transaction information and materials that identify any timeshare exchange companies currently under contract and disclosure statements regarding the use of the timeshare exchange companies, as well as any additional information the commissioner deems appropriate.

G. The commissioner may authorize for use in this state by a developer of a timeshare plan in which all accommodations are located outside of this state a current public report that is issued by another jurisdiction or an equivalent registration and disclosure document that is required before offering a timeshare plan for sale, lease or use and that is issued by another jurisdiction. This authorization does not constitute an exemption from other applicable requirements of this article.

#### **32-2197.09. Rescindable sale or lease**

A person shall not sell or lease or offer for sale or lease in this state timeshare interests in a timeshare plan without first obtaining a public report or authorization to conduct pre-sales from the commissioner. Unless exempt, any sale or lease of timeshare interests in a timeshare plan that consists of twelve or more timeshare interests before issuance of the public report or authorization to conduct pre-sales or failure to deliver the public report or evidence of pre-sale authorization renders the sale or lease rescindable by the purchaser or lessee. An action by the purchaser or lessee to rescind the transaction must be brought within three years of the date of the execution of the purchase or lease agreement by the purchaser. In any rescission action, the prevailing party is entitled to reasonable attorney fees as determined by the court.

### 32-2197.10. Timeshare interest reservations

#### ***Amended by Ariz. Sess. Laws Ch. 52, (2024)***

A. The notice of intent required by section 32-2197.02 and the approval for use of a public report required by section 32-2197.08 are not required for any party to enter into a timeshare interest reservation.

B. Before the approval for use of a public report for a timeshare plan, a deposit may be accepted from a prospective buyer for a timeshare interest reservation if all of the following requirements are met:

1. Before accepting any timeshare interest reservation the prospective seller shall mail or deliver or provide **to the department a hard copy notice or electronic notice as approved by the commissioner of the seller's intention to accept the timeshare interest reservations.** The notice shall include:

- (a) The name, address and telephone number of the prospective seller.
- (b) The name, address and telephone number of any real estate broker retained by the prospective seller to promote the timeshare interest reservation program.
- (c) The name and location of the timeshare property for which timeshare interest reservations are to be offered.
- (d) The form to be used for accepting timeshare interest reservations subject to approval by the commissioner.
- (e) The name and address of the independent third-party escrow or trust account agent responsible for holding the reservation deposits.

2. The reservation deposit for a single timeshare interest shall not exceed twenty percent of the purchase price.

3. Within one business day after a reservation is accepted by the prospective seller, the reservation deposit shall be delivered to an independent third-party escrow or trust account in a federally insured depository. The account may be interest bearing at the direction of either the prospective seller or prospective buyer. Payment of any account fees and payment of interest monies shall be as agreed to between the prospective buyer and prospective seller. All reservation deposits shall remain in the account until cancellation or termination of the timeshare interest reservation or execution of a purchase agreement.

4. Within fifteen calendar days after the prospective seller receives the public report approved for use by the commissioner relating to the reserved timeshare interest, the prospective seller shall provide the prospective buyer with a copy of the public report and a copy of the proposed purchase agreement for the sale of the timeshare interest. The prospective buyer and prospective seller shall have ten business days after the prospective buyer's receipt of the public report and the proposed purchase agreement to enter into a contract for the purchase of the timeshare interest. If the prospective buyer and prospective seller do not enter into a contract for the purchase of the timeshare interest within the ten business day period, the reservation automatically terminates. The prospective seller has no cancellation rights concerning a timeshare interest reservation other than as provided in this subsection.

5. A prospective buyer may cancel a timeshare interest reservation at any time before the execution of a purchase agreement by delivering written notice of termination to the prospective seller as provided in paragraph 9 of this subsection.

6. Within five business days after a timeshare interest reservation has been terminated for any reason, the prospective seller shall refund to the prospective buyer all reservation deposits made by the prospective buyer, including any interest monies earned minus any account fees agreed on, if applicable. The independent third-party escrow account or trust account agent shall refund to the prospective buyer all reservation deposits made by the prospective buyer, including any interest monies earned minus any account fees agreed on if the prospective seller is not available. After the refund, neither the prospective buyer nor the prospective seller has any obligation arising out of the timeshare interest reservation.

7. A prospective buyer may not transfer rights under a reservation without the prior written consent of the prospective seller, and any purported transfer without the consent of the prospective seller is voidable at the sole discretion of the prospective seller.

8. If the department denies an application for a public report on a timeshare plan on which timeshare interest reservations were taken, within five business days after notification by the department, the prospec-

tive seller shall notify in writing each prospective buyer who entered into a timeshare interest reservation agreement. The prospective seller shall return any reservation deposits previously taken.

9. All notices required by this section to be given to the department, the prospective buyer or the prospective seller shall be in writing and either hand delivered or sent by certified mail, return receipt requested with postage fully prepaid. Notices sent by mail are deemed delivered on the earlier of actual receipt, as evidenced by the delivery receipt, or seven calendar days after being deposited in the United States mail.

10. Each timeshare interest reservation form shall contain the following statement in conspicuous type above the purchaser's signature line:

The Arizona department of real estate has not inspected or approved this timeshare property and no public report has been issued for the timeshare plan. No offer to sell may be made and no offer to purchase may be accepted before issuance of a public report or pre-sale authorization for the timeshare plan.

C. The commissioner may deny, suspend or revoke authorization to accept timeshare interest reservations under this section to any person who has violated any provision of this chapter.

### 32-2197.11. Developer supervisory duties

The developer shall supervise, manage and control all aspects of the offering of the timeshare plan, including promotion, advertising, contracting and closing. The developer is responsible for each timeshare plan registered by the developer with the department and for the actions of any sales agent or managing entity used by the developer in the offering or selling of any registered timeshare plan. Any violation of this article that occurs during the offering activities shall be deemed to be a violation by the developer as well as by the sales agent or managing entity who actually committed the violation. The developer is responsible for the actions of the association and managing entity only while they are subject to the developer's control, as provided in the timeshare instruments or by law.

### 32-2197.12. Blanket encumbrance; lien; alternative assurance

Excluding any encumbrance placed against the purchaser's timeshare interest securing the purchaser's payment of purchase money financing for the purchase, the developer is not entitled to the release of any monies placed in escrow under section 32-2197.05 with respect to each timeshare interest and any other property or rights to property appurtenant to the timeshare interest, including any amenities represented to the purchaser as being part of the timeshare plan, until the developer has provided satisfactory evidence to the commissioner of one of the following:

1. The timeshare interest together with any other property or rights to property appurtenant to the timeshare interest, including any amenities represented to the purchaser as being part of the timeshare plan, are free and clear of any of the claims of the developer, any owner of the underlying fee, a mortgagee, judgment creditor or other lienor or any other person having a blanket encumbrance against the timeshare interest or appurtenant property or property rights.
2. The developer, any owner of the underlying fee, a mortgagee, judgment creditor or other lienor or any other person having a blanket encumbrance against the timeshare interest or appurtenant property or property rights, including any amenities represented to the purchaser as being part of the timeshare plan, has recorded a subordination and notice to creditors document in the appropriate public records of the jurisdiction in which the timeshare interest is located. The subordination document shall expressly and effectively provide that the interest holder's right or blanket encumbrance does not adversely affect and is subordinate to the rights of the owners of the timeshare interests in the timeshare plan regardless of the date of purchase, from and after the effective date of the subordination document.
3. The developer, any owner of the underlying fee, a mortgagee, judgment creditor or other lienor or any other person having a blanket encumbrance against the timeshare interest or appurtenant property

or property rights, including any amenities represented to the purchaser as being part of the timeshare plan, has transferred the subject accommodations or amenities or all use rights to the accommodations or amenities to a nonprofit organization or owners' association to be held for the use and benefit of the owners of the timeshare plan. The organization or association shall act as a fiduciary to the purchasers, if the developer has transferred control of the organization or association to the owners or does not exercise voting rights in the organization or association with respect to the subject accommodations or amenities. Before the transfer, any blanket encumbrance against the accommodation or facility shall be made subject to a subordination and notice to creditors instrument pursuant to paragraph 2.

4. Alternative arrangements have been made that are adequate to protect the rights of the purchasers of the timeshare interests and approved by the commissioner.

### **32-2197.13. Hearing on denial of public report**

Any applicant objecting to the denial of a public report may, within thirty days after receipt of the order of denial, file a written request for a hearing. The commissioner shall hold the hearing within twenty days thereafter unless the party requesting the hearing requests a postponement. If the hearing is not held within twenty days after a request for a hearing is received, plus the period of any such postponement, or if a proposed decision is not rendered within forty-five days after submission, the order of denial shall be rescinded and a public report issued.

### **32-2197.14. Investigations; orders; hearings**

A. The commissioner, on the commissioner's own motion, or if the commissioner has received a complaint and has satisfactory evidence that the owner, agent or developer is violating any provision of this article or rules of the commissioner or has engaged in any unlawful practice as defined in section 44-1522 concerning the sale of timeshare interests or deviated from the provisions of the public report, may investigate the timeshare property and examine the books and records of the owner, agent or developer. For the purpose of examination, the owner, agent or developer shall keep and maintain records of all sales transactions and monies received pursuant to such sales transactions and make them accessible to the commissioner upon reasonable notice and demand.

B. The commissioner may conduct an investigation, issue a summary order as provided in section 32-2157 or hold a public hearing, on the commissioner's own motion, or if the commissioner has received a complaint and has satisfactory evidence that:

1. A person has violated any of the provisions of this article or the rules of the commissioner.
2. A person has engaged in any unlawful practice as defined in section 44-1522 concerning the sale of timeshare interests.
3. A person has deviated from the provisions of the public report.
4. The owner, agent, developer, officer or partner, developer trust beneficiary or, if a corporation, any stockholder owning ten per cent or more of the stock in such corporation has participated in, operated or held an interest in any land development company which is bankrupt or has been indicted for fraud or against whom an information for fraud has been filed or has been convicted of a felony, before or after the commissioner issues the public report.

C. After such hearing, the commissioner may issue such order or orders as the commissioner deems necessary to protect the public interest and ensure compliance with the law, or rules or public report, or may bring an action in any court of competent jurisdiction against the person to enjoin the person from continuing such violation or engaging in such violation or doing any act or acts in furtherance of such violation. The court may make such orders or judgments, including the appointment of a receiver, as are necessary to prevent the use or employment by a person of any unlawful practices or which are necessary to restore to any person in interest any monies or property, real or personal, which has been acquired by means of any practice declared to be unlawful in this article.

D. For any timeshare investigation made under this section of an out-of-state timeshare plan, or any in-state timeshare plan to which the commissioner issues any order necessary to protect the public interest and ensure compliance with law, rules or the public report, the developer shall reimburse the department for travel and subsistence expenses incurred by the department.

### **32-2197.15. Order; appointment of receiver; writ of ne exeat**

A. If it appears to the commissioner that a person has engaged in or is engaging in a practice declared to be unlawful by this article, and that such person is concealing assets or self, or has made arrangements to conceal assets or is about to leave this state, the commissioner may apply to the superior court, ex parte, for an order appointing a receiver of the assets of such person or for a writ of ne exeat, or both.

B. The court, upon receipt of an application for the appointment of a receiver or for a writ of ne exeat, or both, shall examine the verified application of the commissioner and such other evidence that the commissioner presents to the court. If satisfied that the interests of the public require the appointment of a receiver or the issuance of a writ ne exeat without notice, the court shall issue an order appointing the receiver or issue the writ, or both. If the court determines that the interests of the public will not be harmed by the giving of notice, the court shall set a time for a hearing and require such notice be given as the court deems satisfactory.

C. If the court appoints a receiver without notice, the court shall further direct that a copy of the order appointing a receiver be served upon the person engaged in or engaging in a practice declared to be unlawful under this article by delivering such order to the last address of the person which is on file with the real estate department. The order shall inform the person that he has the right to request a hearing within ten days of the date of the order, and if requested, the hearing shall be held within thirty days from the date of the order.

### **32-2197.16. Separate disclosures**

***Amended by Ariz. Sess. Laws Ch. 52, (2024)***

A. The purchase agreement must contain a separate disclosure document that discloses all of the following in at least ten-point type:

1. If the purchaser signs the purchase agreement, the purchaser has ten days to cancel the purchase agreement without a penalty.
2. If the purchaser signs the purchase agreement, the purchaser may be responsible for paying maintenance fees, taxes and other assessments every year for the duration of ownership.
3. Timeshares are not investments.
4. The purchase agreement is final and any conflicting statements made by the seller are not part of the purchase agreement.
5. The purchaser has the right to file a consumer complaint with the attorney general.

B. Before entering into a purchase agreement, the seller must provide the purchaser with a separate disclosure document to adequately inform the purchaser of the purchaser's actual and potential liabilities under the purchase agreement. At a minimum, this separate disclosure document must conspicuously disclose all of the following:

1. The duration of the timeshare agreement entered into by the purchaser or whether the agreement has no set duration.
2. A **loan** estimate of the total potential financial obligation of the purchaser during the first year of ownership that includes additional charges to which the purchaser may be subject during the first year of ownership, including all potential assessments. The disclosure shall be as follows:
  - (a) If the maximum amount of the first year's assessments is known at the time of purchase, the disclosure must disclose the maximum amount of these assessments and the assessments levied for each of the previous three years, if available.
  - (b) If the maximum amount of the first year's assessments is unknown at the time of purchase, the disclosure must provide the purchaser with the following:
    - (i) Notice that the purchaser will be required to pay assessments in addition to the disclosed purchase payment and that the amount of those assessments is currently unknown.
    - (ii) A statement disclosing the assessments levied for each of the previous three years, if available, and a **loan** estimate of the first year's assessments that is at least the highest amount assessed during any of the previous three years based on the timeshare interest being offered.
    - (iii) Unless the purchase agreement provides for a limit on assessments during the first year

of ownership, an affirmative statement that there is no limit on the assessments that the purchaser may be charged in the first year of ownership.

C. If there are blank spaces in the purchase agreement or the disclosure documents prescribed by this section, the contract is voidable.

D. The purchaser must separately initial each disclosure prescribed by subsection A of this section, sign the separate disclosure prescribed by subsection B of this section and verify that the purchaser has read and understands the information presented in the separate disclosures. An initialed copy of the separate disclosure prescribed by subsection A of this section and a signed copy of the separate disclosure prescribed by subsection B of this section shall be provided to the purchaser for the purchaser's records at the time of signing, and the seller shall keep a signed copy of the separate disclosures.

E. The commissioner may recommend or require that the separate disclosures be in a specified form. The form must contain the information required by this section.

**32-2197.17. Advertising and promotional requirements; telemarketing and promotional employees; presentations and tours, drawings and contests; commissioner's authority; disclosures**

A. Within ten days after a request by the commissioner, the developer shall file with the commissioner a copy of any promotional and advertising material that will be used in connection with the sale, lease or use of timeshare interests. If filing is required, the commissioner shall approve or deny the use of any material within fifteen days of receiving all information and documents. If the commissioner denies the use of promotional and advertising material, specific grounds shall be set forth in writing. The commissioner may grant provisional approval for promotional and advertising material if the developer agrees to correct any deficiencies. Any proposed advertising not requested by the commissioner for review may be filed for review and approval by the commissioner.

B. Any advertising, communication or sales literature of any kind, including oral statements by salespeople or any other person, shall not contain:

1. Any untrue statement of material fact or any omission of material fact which would make such statements misleading in light of the circumstances under which such statements were made.
2. Any statement or representation that the timeshare interests are offered without risk or that loss is impossible.
3. Any statement or representation or pictorial presentation of proposed improvements or nonexistent scenes without clearly indicating that the improvements are proposed and the scenes do not exist.

C. All promotional and advertising material shall be consistent with the information contained in the notice of intention pursuant to section 32-2197.02 and the public report pursuant to section 32-2197.08 and shall clearly indicate that the material is being used to promote the sale, lease or use of an interest in a timeshare plan. An interest in a timeshare plan, vacation ownership plan, fractional ownership plan, vacation club or other term or terms may be approved by the commissioner on a case by case basis after the commissioner finds that such term or terms clearly disclose to prospective purchasers the nature of the timeshare interest being offered.

D. If it appears to the commissioner that any person is engaging or has engaged in advertising or promotional practices in violation of this article, the commissioner may hold a hearing as a contested case under title 41, chapter 6, article 10 and issue such order or orders as the commissioner deems necessary to protect the public interest, or the commissioner may bring an action in any court of competent jurisdiction against such person to enjoin that person from continuing such violation.

E. The commissioner may adopt such written guidelines as the commissioner deems necessary to protect the public interest and to assure that all advertising and promotional practices with respect to land subject to the provisions of this article are not false or misleading.

F. It is unlawful for any owner, developer, agent or employee of any timeshare plan or other person with intent directly or indirectly to sell or lease timeshare interests subject to the provisions of this article to authorize, use, direct or aid in any advertising, communication, sales literature or promotional practice which violates this section.

G. This section does not apply to the owner or publisher of a newspaper or magazine or to any other publication of printed matter in which such advertisement appears or to the owner or operator of a radio or television station which disseminates such advertisement if the owner, publisher or operator has no knowledge of the intent, design

or purpose of the advertiser.

H. A telemarketing or any other promotional employee involved in activities whose primary duties are limited to soliciting initial interest, scheduling or confirming persons for appointments, handing out promotional literature or explaining promotional incentives and related duties is not required to hold a real estate license. To the extent that a telemarketing or any other promotional employee is engaged in soliciting interest in the actual purchase, lease or use of timeshare interests, the employee shall be employed and supervised by a real estate broker who is licensed in this state subject to the following:

1. Supervision of unlicensed telemarketing and other promotional employees shall be performed directly by a broker or a licensed real estate salesperson under the supervision of the broker.
2. An unlicensed employee in the course of the employee's duties shall not engage in discussions about any details or benefits of the property transaction being promoted, including dimensions of the property, contract terms, discounts, exchange benefits, price and financing.
3. The amount and manner in which an unlicensed employee is individually compensated may not be based, in whole or in part, on the completion of a timeshare transaction.
4. For the purposes of the supervision required under this subsection, a developer may:
  - (a) Operate its own promotional program and provide supervision of its unlicensed telemarketing or other promotional employees through its designated broker.
  - (b) Establish a branch office that is managed by a licensed real estate salesperson under the supervision of the developer's designated broker and who provides supervision of the developer's unlicensed telemarketing or other promotional employees.
  - (c) Pursuant to a written promotion agreement:
    - (i) Contract with an unlicensed telemarketer or any other promoter if the agreement requires the developer's designated broker to provide supervision of the telemarketer's or promoter's unlicensed telemarketing or other promotional employees.
    - (ii) Contract with a telemarketer or any other promoter who is licensed as a broker in this state if the agreement requires the designated broker of the telemarketer or other promoter to provide supervision of unlicensed telemarketing or other promotional employees.

5. The commissioner may exempt from the supervision requirements of this section a timeshare developer that is not based in this state and that desires to conduct telemarketing solicitations of residents of this state or a developer that is based in this state but that desires to use the services of a telemarketer that is not located in this state to conduct telemarketing solicitations of residents of this state on written application containing information about the developer, the timeshare plan and the marketing procedures that will be used. The commissioner may grant such an exemption on a showing that supervision equivalent to that required under this section exists. If the developer does not adhere to the marketing procedures submitted with its application for exemption or if there is any material change in the information submitted with the application, the exemption may be denied or revoked.

I. A timeshare developer may hold a drawing or contest to solicit interest in or promote timeshare interests if all of the following requirements are met:

1. The timeshare plan has in effect a current public report.
2. The developer is not the subject of an ongoing investigation by the commissioner, unless the commissioner in the commissioner's discretion gives written permission to the developer to hold a drawing or contest.
3. The extent to which the drawing or contest is limited in time and scope and the geographic location in which eligible recipients reside are fully disclosed.
4. The estimated odds of winning and all other material terms of the drawing or contest are fully disclosed to all participants.
5. No fee is charged to any person who participates in a drawing or contest.
6. No participant in a drawing or contest, as a condition of participation, is required to attend a timeshare

sales presentation or take a site tour.

7. The developer is in compliance with all applicable federal, state and local laws involving drawings or contests.

8. The developer is responsible at all times for the lawful and proper conduct of any drawing or contest.

9. The developer submits the details of the drawing or contest, including the method of awarding any offered.

J. A premium may be given to persons who visit timeshare properties or who attend a timeshare presentation. No person is required to attend any presentation or tour for longer than one hundred twenty minutes to receive the premium. The developer shall make complete and clear written disclosure that minimally includes detailed information about any premium offered as an incentive, including its estimated retail value and any conditions that must be met or limitations that apply to receive the premium, and about the one hundred twenty minute limit placed on a site tour or sales presentation to each timeshare prospect before any presentation or tour.

K. A developer or a representative of a developer conducting timeshare presentations or tours may offer a timeshare prospect a redemption certificate in return for participation in a presentation or tour if all of the following requirements are met:

1. If for any reason the goods or services are not provided in the time frame stated in or are not as represented in the redemption certificate and the recipient provides proof of timely satisfaction of all conditions and requirements for redemption, the developer does the following:

(a) Within fifteen days of receipt of notice from the timeshare prospect of the proven nonreceipt of the goods or services, provides the promised goods or services or a reasonable substitute of equal or greater value.

(b) If unable to provide the goods or services or a reasonable substitute within the fifteen day period, immediately pays the redemption certificate recipient an amount equal to the estimated retail value of the premium as advertised in the certificate promotional material or, if the value was not advertised, pays the estimated retail value of the premium.

F. If the court appoints a receiver without notice, the court shall further direct that a copy of the order appointing a receiver be served on the person alleged to have engaged or to be engaging in a practice declared to be unlawful under this article by delivering the order to the last address of the person which is on file with the department. C. This section does not apply to the owner or publisher of a newspaper or magazine or to any other publication of printed matter in which an advertisement appears or to the owner or operator of a radio or television station which disseminates an advertisement if the owner, publisher or operator has no knowledge of the intent, design or purpose of the advertiser.

D. The commissioner may adopt rules permitting lotteries and drawings for the purpose of inducing prospective buyers to attend a sales presentation or to take a campground tour and establishing requirements and conditions for lotteries and drawings. These requirements and conditions shall include that:

1. No membership camping operator may hold a lottery or drawing who does not also have pursuant to section 32-2198.14 a recorded nondisturbance agreement, a bond or irrevocable letter of credit or some other financial assurance acceptable to the commissioner. 10. The membership camping broker is responsible at all times for the lawful and proper conduct of any lottery or drawing.

E. No campground facility may be advertised or promoted in any way that appears to guarantee the unimpeded use of or access to campground properties, if a blanket encumbrance exists on the properties, unless a nondisturbance or other acceptable agreement has been recorded, filed and accepted by the department pursuant to section 32-2198.14.

The department may require the applicant to pay for any costs of experts hired by the department to evaluate the application, nondisturbance clause or financial condition of the applicant. No lien or encumbrance may be construed to deny access and use.

B. The applicant shall include satisfactory evidence that purchasers of campground memberships acquire an unimpeded and irrevocable right of access to and use of campground properties by means acceptable to the department, including:

1. A duly recorded nondisturbance agreement from each holder of a lien or encumbrance on a membership campground that provides minimally for:

  - (c) Binding successors in interest of both the campground membership operator and each holder of a lien or encumbrance.

Pursuant to title 41, chapter 6, article 10, an administrative law judge shall adjudicate complaints regarding and ensure compliance with:

1. Title 33, chapter 9 and condominium documents.
2. Title 33, chapter 16 and planned community documents.

#### 32-2199.01. Hearing; rights procedures

A. For a dispute between an owner and a condominium association or planned community association that is regulated pursuant to title 33, chapter 9 or 16, the owner or association may petition the department for a hearing concerning violations of condominium documents or planned community documents or violations of the statutes that regulate condominiums or planned communities. The petitioner shall file a petition with the department and pay a filing fee in an amount to be established by the commissioner. The filing fee shall be deposited in the condominium and planned community hearing office fund established by section 32-2199.05. On dismissal of a petition at the request of the petitioner before a hearing is scheduled or by stipulation of the parties before a hearing is scheduled, the filing fee shall be refunded to the petitioner. The department does not have jurisdiction to hear:

1. Any dispute among or between owners to which the association is not a party.
2. Any dispute between an owner and any person, firm, partnership, corporation, association or other organization that is engaged in the business of designing, constructing or selling a condominium as defined in section 33-1202 or any property or improvements within a planned community as defined in section 33-1802, including any person, firm, partnership, corporation, association or other organization licensed pursuant to this chapter, arising out of or related to the design, construction, condition or sale of the condominium or any property or improvements within a planned community.

B. The petition shall be in writing on a form approved by the department, shall list the complaints and shall be signed by or on behalf of the persons filing and include their addresses, stating that a hearing is desired, and shall be filed with the department.

C. On receipt of the petition and the filing fee the department shall mail by certified mail a copy of the petition along with notice to the named respondent that a response is required within twenty days after mailing of the petition showing cause, if any, why the petition should be dismissed.

D. After receiving the response, the commissioner or the commissioner's designee shall promptly review the petition for hearing and, if justified, refer the petition to the office of administrative hearings. The commissioner may dismiss a petition for hearing if it appears to the commissioner's satisfaction that the disputed issue or issues have been resolved by the parties.

E. Failure of the respondent to answer is deemed an admission of the allegations made in the petition, and the commissioner shall issue a default decision.

F. Informal disposition may be made of any contested case.

G. Either party or the party's authorized agent may inspect any file of the department that pertains to the hearing, if the authorization is filed in writing with the department.

H. At a hearing conducted pursuant to this section, a corporation may be represented by a corporate officer, employee or contractor of the corporation who is not a member of the state bar if:

1. The corporation has specifically authorized the officer, employee or contractor of the corporation to represent it.
2. The representation is not the officer's, employee's or contractor of the corporation's primary duty to the corporation but is secondary or incidental to the officer's, employee's or contractor of the corporation's,

limited liability company's, limited liability partnership's, sole proprietor's or other lawfully formed and operating entity's duties relating to the management or operation of the corporation.

**32-2199.02. Orders; penalties; disposition**

A. The administrative law judge may order any party to abide by the statute, condominium documents, community documents or contract provision at issue and may levy a civil penalty on the basis of each violation. All monies collected pursuant to this article shall be deposited in the condominium and planned community hearing office fund established by section 32-2199.05 to be used to offset the cost of administering the administrative law judge function. If the petitioner prevails, the administrative law judge shall order the respondent to pay to the petitioner the filing fee required by section 32-2199.01.

B. The order issued by the administrative law judge is binding on the parties unless a rehearing is granted pursuant to section 32-2199.04 based on a petition setting forth the reasons for the request for rehearing, in which case the order issued at the conclusion of the rehearing is binding on the parties. The order issued by the administrative law judge is enforceable through contempt of court proceedings and is subject to judicial review as prescribed by section 41-1092.08.

**32-2199.04. Rehearing; appeal**

A. A person aggrieved by a decision of the administrative law judge may apply for a rehearing by filing with the commissioner a petition in writing pursuant to section 41-1092.09. Within ten days after filing such petition, the commissioner shall serve notice of the request on the other party by mailing a copy of the petition in the manner prescribed in section 32-2199.01 for notice of hearing.

B. The filing of a petition for rehearing temporarily suspends the operation of the administrative law judge's action. If the petition is granted, the administrative law judge's action is suspended pending the decision on the rehearing.

C. In the order granting or denying a rehearing, the commissioner shall include a statement of the particular grounds and reasons for the commissioner's action on the petition and shall promptly mail a copy of the order to the parties who have appeared in support of or in opposition to the petition for rehearing.

D. In a rehearing conducted pursuant to this section, a corporation may be represented by a corporate officer or employee who is not a member of the state bar if:

1. The corporation has specifically authorized such officer or employee to represent it.
2. Such representation is not the officer's or employee's primary duty to the corporation but is secondary or incidental to such officer's or employee's duties relating to the management or operation of the corporation.

**32.2199.05. Condominium and planned community hearing office fund**

A. The condominium and planned community hearing office fund is established in the department to be administered by the commissioner. Monies in the fund are continuously appropriated. On notice from the commissioner, the state treasurer shall invest and divest monies in the fund as provided by section 35-313, and monies earned from investment shall be credited to the fund.

B. Monies in the condominium and planned community hearing office fund shall be used to reimburse the actual costs of the office of administrative hearings in conducting hearings pursuant to section 32-2199.01. Monies remaining in the fund may be used by the department to offset the costs of administering cases filed pursuant to section 32-2199.01.

## TITLE 12 - COURTS AND CIVIL PROCEEDINGS

### Chapter 6 - Judicial Review of Administrative Decisions

#### 12-901. Definitions

In this article, unless the context otherwise requires:

1. "Administrative agency" or "agency" means every agency, board, commission, department or officer authorized by law to exercise rule-making powers or to adjudicate contested cases, whether created by constitutional provision or legislative enactment. Except as provided in section 33-1905, administrative agency or agency does not include an agency in the judicial or legislative departments of the state government, any political subdivision or municipal corporation or any agency of a political subdivision or municipal corporation.
2. "Administrative decision" or "decision" means any decision, order or determination of an administrative agency that is rendered in a case, that affects the legal rights, duties or privileges of persons and that terminates the proceeding before the administrative agency. In all cases in which a statute or a rule of the administrative agency requires or permits an application for a rehearing or other method of administrative review, and an application for a rehearing or review is made, no administrative decision of such agency is final as to the party applying for the rehearing or review until the rehearing or review is denied or the decision on rehearing or review is rendered. Administrative decision or decision does not include either:
  - (a) Rules, standards or statements of policy of general application issued by an administrative agency to implement, interpret or make specific the legislation enforced or administered by it unless the rule, standard or statement of policy is involved in a proceeding before the agency and its applicability or validity is in issue in the proceeding.
  - (b) Rules concerning the internal management of the agency and not affecting private rights or interests.

#### 12-902. Scope of article

A. This article applies to and governs:

1. Every action to judicially review a final decision of an administrative agency except public welfare decisions pursuant to title 46, or if the act creating or conferring power on an agency or a separate act provides for judicial review of the agency decisions and prescribes a definite procedure for the review.
2. An action to review the decision at an administrative hearing as otherwise provided by statute.

B. Unless review is sought of an administrative decision within the time and in the manner provided in this article, the parties to the proceeding before the administrative agency shall be barred from obtaining judicial review of the decision. If under the terms of the law governing procedure before an agency an administrative decision becomes final because of failure to file any document in the nature of an objection, protest, petition for hearing or application for administrative review within the time allowed by the law, the decision is not subject to judicial review under the provisions of this article except for the purpose of questioning the jurisdiction of the administrative agency over the person or subject matter.

#### 12-903. Power of supreme court to make procedural rules

The supreme court may make rules of pleading, practice and procedure supplementary to but not inconsistent with the provisions of this article, and to amend such rules, for the purpose of making this article effective for the convenient administration of justice, and simplifying procedure so far as it affects judicial review of administrative decisions.

#### 12-904. Commencement of action; transmission of record

A. An action to review a final administrative decision shall be commenced by filing a notice of appeal within thir-

ty-five days from the date when a copy of the decision sought to be reviewed is served upon the party affected. The method of service of the decision shall be as provided by law governing procedure before the administrative agency, or by a rule of the agency made pursuant to law, but if no method is provided a decision shall be deemed to have been served when personally delivered or mailed by certified mail to the party affected at the party's last known residence or place of business. Service is complete on personal service or five days after the date that the final administrative decision is mailed to the party's last known address. The notice of appeal shall identify the final administrative decision sought to be reviewed and include a statement of the issues presented for review. The statement of an issue presented for review is deemed to include every subsidiary issue fairly comprised in the statement.

B. Within ten days after filing a notice of appeal pursuant to this article, the party seeking judicial review shall file a notice of the action with the office of administrative hearings or the agency that conducted the hearing, and the office of administrative hearings or the agency that conducted the hearing shall transmit the record to the superior court. The record shall consist of the following:

1. The original agency action from which review is sought.
2. Any motions, memoranda or other documents submitted by the parties to the appeal.
3. Any exhibits admitted as evidence at the administrative hearing.
4. The decision by the administrative law judge and any revisions or modifications to the decision.
5. A copy of the transcript of the administrative hearing, if the party seeking judicial review desires a transcript to be included in the record and provides for preparation of the transcript at the party's own expense. Any other party may have a transcript included in the record by filing a notice with the office of administrative hearings or the agency that conducted the hearing within ten days after receiving notice of the notice of appeal and providing for preparation of the transcript at the party's own expense.

#### 12-905. Jurisdiction and venue

A. Jurisdiction to review final administrative decisions is vested in the superior court.

B. If the venue of the action to review a final administrative decision is expressly prescribed in the statute under authority of which the decision was made, such venue shall control, but if the venue is not prescribed, an action to review a final administrative decision may be commenced in the superior court of any county in which any of the following conditions obtains:

Within twenty days after service of the notice of appeal, the appellee agency and all other appellees shall file a notice of appearance in response to the notice of appeal. All subsequent filings shall be made as provided by section 12-914.

#### 12-908. Parties

A. In an action to review a final decision of an administrative agency, the agency and all persons, other than the appellant, who are parties of record in the proceedings may appear in the proceedings before the superior court as appellees.

B. If the administrative hearing is held before the office of administrative hearings, the office of administrative

hearings is not a party of record in the proceedings and is not to be named as a party in the notice of appeal or to appear as a party in the appellate proceedings before the court unless otherwise required by law or order of the court. For the purposes of this section, the office of administrative hearings includes the director of the office of administrative hearings and the administrative law judge.

#### **12-909. Pleadings and record on review**

A. The notice of appeal shall contain a statement of the findings and decision or part of the findings and decision sought to be reviewed.

B. Notwithstanding section 12-904, subsection B, by order of the court or by stipulation of all parties to the action, the record may be shortened or supplemented.

The court may hear testimony from witnesses who testified at the administrative hearing and witnesses who were not called to testify at the administrative hearing.

B. Relevant and admissible exhibits and testimony that were not offered during the administrative hearing shall be admitted, and objections that a party failed to make to evidence offered at the administrative hearing shall be considered, unless either of the following is true:

1. The exhibit, testimony or objection was withheld for purposes of delay, harassment or other improper purpose.
2. Allowing admission of the exhibit or testimony or consideration of the objection would cause substantial prejudice to another party.

C. C. On motion of a party before rendition of judgment, the superior court shall make findings of fact and state conclusions of law on which its judgment is based.

#### **12-912. Costs**

Issuance of a notice under subsection K of this section is not a prerequisite to otherwise lawful agency actions seeking an injunction or issuing an order if the agency determines that the action is necessary on an expedited basis to abate an imminent and substantial endangerment to public health or the environment and documents the basis for that determination in the documents initiating the action.

M. This section does not authorize an inspection or any other act that is not otherwise authorized by law.

### **Article 7 - Military Administrative Relief**

#### **41-1071. Military relief from administrative procedures; process**

At any stage, any action or proceeding before any state agency, board, commission or administrative tribunal involving a person on active duty in the military service of the United States or this state as a necessary party, which occurs during such period of service or within sixty days thereafter, may be stayed in the discretion of the state administrative entity before which it is pending, on its own motion. The state administrative entity shall not stay an action or proceeding on its own motion if the service member makes a written objection to the stay. Such action or proceeding shall be stayed on application to the state administrative entity by such person or some person on his behalf, unless in the written decision of the state administrative entity, the ability of the service member to pursue the claim or defense in the action or proceeding is not prejudiced by the military service.

### **Article 7.1 - Licensing Time Frames**

#### **41-1072. Definitions**

In this article, unless the context otherwise requires:

1. "Administrative completeness review time frame" means the number of days from agency receipt of an application for a license until an agency determines that the application contains all components required by statute or rule, including all information required to be submitted by other government agencies. The administrative completeness review time frame does not include the period of time during which an agency provides public notice of the license application or performs a substantive review of the application.
2. "Overall time frame" means the number of days after receipt of an application for a license during which an agency determines whether to grant or deny a license. The overall time frame consists of both the administrative completeness review time frame and the substantive review time frame.
3. "Substantive review time frame" means the number of days after the completion of the administrative completeness review time frame during which an agency determines whether an application or applicant for a license meets all substantive criteria required by statute or rule. Any public notice and hearings required by law shall fall within the substantive review time frame.

#### **41-1073. Time frames; exception**

A. No later than December 31, 1998, an agency that issues licenses shall have in place final rules establishing an overall time frame during which the agency will either grant or deny each type of license that it issues. Agencies shall submit their overall time frame rules to the governor's regulatory review council pursuant to the schedule developed by the council. The council shall schedule each agency's rules so that final overall time frame rules are in place no later than December 31, 1998. The rule regarding the overall time frame for each type of license shall state separately the administrative completeness review time frame and the substantive review time frame.

B. If a statutory licensing time frame already exists for an agency but the statutory time frame does not specify separate time frames for the administrative completeness review and the substantive review, by rule the agency shall establish separate time frames for the administrative completeness review and the substantive review, which together shall not exceed the statutory overall time frame. An agency may establish different time frames for initial licenses, renewal licenses and revisions to existing licenses.

C. The submission by the department of environmental quality of a revised permit to the United States environmental protection agency in response to an objection by that agency shall be given the same effect as a notice granting or denying a permit application for licensing time frame purposes. For the purposes of this subsection, "permit" means a permit required by title 49, chapter 2, article 3.1 or section 49-426.

D. In establishing time frames, agencies shall consider all of the following:

1. The complexity of the licensing subject matter.

2. The resources of the agency granting or denying the license.
3. The economic impact of delay on the regulated community.
4. The impact of the licensing decision on public health and safety.
5. The possible use of volunteers with expertise in the subject matter area.
6. The possible increased use of general licenses for similar types of licensed businesses or facilities.
7. The possible increased cooperation between the agency and the regulated community.
8. Increased agency flexibility in structuring the licensing process and personnel.

E. This article does not apply to licenses issued either:

1. Pursuant to tribal state gaming compacts.
2. Within seven days after receipt of initial application.
3. By a lottery method.

#### **41-1074. Compliance with administrative completeness review time frame**

A. An agency shall issue a written notice of administrative completeness or deficiencies to an applicant for a license within the administrative completeness review time frame.

B. If an agency determines that an application for a license is not administratively complete, the agency shall include a comprehensive list of the specific deficiencies in the written notice provided pursuant to subsection A of this section. If the agency issues a written notice of deficiencies within the administrative completeness time frame, the administrative completeness review time frame and the overall time frame are suspended from the date the notice is issued until the date that the agency receives the missing information from the applicant.

C. If an agency does not issue a written notice of administrative completeness or deficiencies within the administrative completeness review time frame, the application is deemed administratively complete. If an agency issues a timely written notice of deficiencies, an application is not complete until the agency receives all requested information.

D. Except for an application submitted to the department of water resources pursuant to title 45, a determination by an agency that an application is not administratively complete is an appealable agency action, which if timely initiated, entitles the applicant to an adjudication on the merits of the administrative completeness of the application.

#### **41-1075. Compliance with substantive review time frame**

A. During the substantive review time frame, an agency may make one comprehensive written request for additional information. The agency and applicant may mutually agree in writing to allow the agency to submit supplemental requests for additional information. If an agency issues a comprehensive written request or a supplemental request by mutual written agreement for additional information, the substantive review time frame and the overall time frame are suspended from the date the request is issued until the date that the agency receives the additional information from the applicant.

B. By mutual written agreement, an agency and an applicant for a license may extend the substantive review time frame and the overall time frame. An extension of the substantive review time frame and the overall time frame may not exceed twenty-five per cent of the overall time frame.

#### **41-1076. Compliance with overall time frame**

Unless an agency and an applicant for a license mutually agree to extend the substantive review time frame and the overall time frame pursuant to section 41-1075, an agency shall issue a written notice granting or denying a license within the overall time frame to an applicant. If an agency denies an application for a license, the agency shall include in the written notice at least the following information:

1. Justification for the denial with references to the statutes or rules on which the denial is based.
2. An explanation of the applicant's right to appeal the denial. The explanation shall include the number of days in which the applicant must file a protest challenging the denial and the name and telephone number of an agency contact person who can answer questions regarding the appeals process.

**41-1077. Consequence for agency failure to comply with overall time frame; refund; penalty**

A. If an agency does not issue to an applicant the written notice granting or denying a license within the overall time frame or within the time frame extension pursuant to section 41-1075, the agency shall refund to the applicant all fees charged for reviewing and acting on the application for the license and shall excuse payment of any such fees that have not yet been paid. The agency shall not require an applicant to submit an application for a refund pursuant to this subsection. The refund shall be made within thirty days after the expiration of the overall time frame or the time frame extension. The agency shall continue to process the application subject to subsection B of this section. Notwithstanding any other statute, the agency shall make the refund from the fund in which the application fees were originally deposited. This section applies only to license applications that were subject to substantive review.

B. Except for license applications that were not subject to substantive review, the agency shall pay a penalty to the state general fund for each month after the expiration of the overall time frame or the time frame extension until the agency issues written notice to the applicant granting or denying the license. The agency shall pay the penalty from the agency fund in which the application fees were originally deposited. The penalty shall be two and one-half per cent of the total fees received by the agency for reviewing and acting on the application for each license that the agency has not granted or denied on the last day of each month after the expiration of the overall time frame or time frame extension for that license.

**41-1079. Information required to be provided**

A. An agency that issues licenses shall provide the following information to an applicant at the time the applicant obtains an application for a license:

1. A list of all of the steps the applicant is required to take in order to obtain the license.
2. The applicable licensing time frames.
3. The name and telephone number of an agency contact person who can answer questions or provide assistance throughout the application process.

B. This section does not apply to the Arizona peace officer standards and training board established by section 41-1821.

D. A public hearing on the delegation agreement shall not be held earlier than thirty days after the notice of its location and time is published in the register. The agency shall determine a location and time for the public hearing that affords a reasonable opportunity for persons to participate. At that public hearing persons may present oral argument, data and views on the proposed delegation agreement.

E. After the conclusion of the public comment period and hearing, if any, the agency shall prepare a written summary, responding to the comments received, whether oral or written. The agency shall consider the comments received from the public in determining whether to enter into the proposed delegation agreement. The agency shall give written notice to those persons who submitted comments of the agency's decision on whether to enter into the proposed delegation agreement. The delegation agreement is effective thirty days after written notice of the agency's final decision is given unless an appeal is filed and pending before the council pursuant to subsection F.

G. Delegation agreements that are appealed to and considered by the council shall become effective upon council approval of the delegation agreement. 2. If good cause is shown, the hearing may be held at a later meeting of the board.

C. The date scheduled for the hearing may be advanced or delayed on the agreement of the parties or on a showing of good cause.

D. The agency shall prepare and serve a notice of hearing on all parties to the appeal or contested case at least thirty days before the hearing. The notice shall include:

1. A statement of the time, place and nature of the hearing.
2. A statement of the legal authority and jurisdiction under which the hearing is to be held.
3. A reference to the particular sections of the statutes and rules involved.

4. A short and plain statement of the matters asserted. If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved. After the initial notice and on application, a more definite and detailed statement shall be furnished.

E. Notwithstanding subsection D, a hearing shall be expedited as provided by law or upon a showing of extraordinary circumstances or the possibility of irreparable harm if the parties to the appeal or contested case have actual notice of the hearing date. Any party to the appeal or contested case may file a motion with the director asserting the party's right to an expedited hearing. The right to an expedited hearing shall be listed on any abatement order. The Arizona health care cost containment system administration may file a motion with every member grievance and eligibility appeal that cites federal law and that requests that a hearing be set within thirty days after the motion is filed.

F. Prehearing conferences may be held to:

1. Clarify or limit procedural, legal or factual issues.
2. Consider amendments to any pleadings.
3. Identify and exchange lists of witnesses and exhibits intended to be introduced at the hearing.
4. Obtain stipulations or rulings regarding testimony, exhibits, facts or law.
5. Schedule deadlines, hearing dates and locations if not previously set.
6. Allow the parties opportunity to discuss settlement.

#### **41-1092.06. Appeals of agency actions and contested cases; informal settlement conferences; applicability**

A. If requested by the appellant of an appealable agency action or the respondent in a contested case, the agency shall hold an informal settlement conference within fifteen days after receiving the request. A request for an informal settlement conference shall be in writing and shall be filed with the agency no later than twenty days before the hearing. If an informal settlement conference is requested, the agency shall notify the office of the request and the outcome of the conference, except as provided in section 41-1092.01, subsection F. The request for an informal settlement conference does not toll the sixty day period in which the administrative hearing is to be held pursuant to section 41-1092.05.

B. If an informal settlement conference is held, a person with the authority to act on behalf of the agency must represent the agency at the conference. The agency representative shall notify the appellant in writing that statements, either written or oral, made by the appellant at the conference, including a written document, created or expressed solely for the purpose of settlement negotiations are inadmissible in any subsequent administrative hearing. The parties participating in the settlement conference shall waive their right to object to the participation of the agency representative in the final administrative decision.

#### **41-1092.07. Hearings**

A. A party to a contested case or appealable agency action may file a nonperemptory motion with the director to disqualify an office administrative law judge from conducting a hearing for bias, prejudice, personal interest or lack of technical expertise necessary for a hearing.

B. The parties to a contested case or appealable agency action have the right to be represented by counsel or to proceed without counsel, to submit evidence and to cross-examine witnesses.

C. The administrative law judge may issue subpoenas to compel the attendance of witnesses and the production of documents. The subpoenas shall be served and, on application to the superior court, enforced in the manner provided by law for the service and enforcement of subpoenas in civil matters. The administrative law judge may administer oaths and affirmations to witnesses.

D. All parties shall have the opportunity to respond and present evidence and argument on all relevant issues. All relevant evidence is admissible, but the administrative law judge may exclude evidence if its probative value is outweighed by the danger of unfair prejudice, by confusion of the issues or by considerations of undue delay, waste of time or needless presentation of cumulative evidence. The administrative law judge shall exercise rea-

sonable control over the manner and order of cross-examining witnesses and presenting evidence to make the cross-examination and presentation effective for ascertaining the truth, avoiding needless consumption of time and protecting witnesses from harassment or undue embarrassment.

E. All hearings shall be recorded. The administrative law judge shall secure either a court reporter or an electronic means of producing a clear and accurate record of the proceeding at the agency's expense. Any party that requests a transcript of the proceeding shall pay the costs of the transcript to the court reporter or other transcriber.

F. Unless otherwise provided by law, the following apply:

1. A hearing may be conducted in an informal manner and without adherence to the rules of evidence required in judicial proceedings. Neither the manner of conducting the hearing nor the failure to adhere to the rules of evidence required in judicial proceedings is grounds for reversing any administrative decision or order if the evidence supporting the decision or order is substantial, reliable and probative.

2. Copies of documentary evidence may be received in the discretion of the administrative law judge. On request, the parties shall be given an opportunity to compare the copy with the original.

3. Notice may be taken of judicially cognizable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the agency's specialized knowledge. The parties shall be notified either before or during the hearing or by reference in preliminary reports or otherwise of the material noticed including any staff memoranda or data and they shall be afforded an opportunity to contest the material so noticed. The agency's experience, technical competence and specialized knowledge may be used in the evaluation of the evidence. An agency-issued license that substantially complied with the applicable licensing requirements establishes a prima facie demonstration that the license meets all state and federal legal and technical requirements and the license would protect public health, welfare and the environment. An adversely affected party may rebut a prima facie demonstration by presenting clear and convincing evidence demonstrating that one or more provisions in the license violate a specifically applicable state or federal requirement. If an adversely affected party rebuts a prima facie demonstration, the applicant or licensee and the agency director may present additional evidence to support issuing the license.

4. On application of a party or the agency and for use as evidence, the administrative law judge may permit a deposition to be taken, in the manner and on the terms designated by the administrative law judge, of a witness who cannot be subpoenaed or who is unable to attend the hearing. The administrative law judge may order subpoenas for the production of documents if the party seeking the discovery demonstrates that the party has reasonable need of the materials being sought. All provisions of law compelling a person under subpoena to testify are applicable. Fees for attendance as a witness shall be the same as for a witness in court, unless otherwise provided by law or agency rule. Notwithstanding section 12-2212, subpoenas, depositions or other discovery shall not be permitted except as provided by this paragraph or subsection C of this section.

5. Informal disposition may be made by stipulation, agreed settlement, consent order or default.

6. Findings of fact shall be based exclusively on the evidence and on matters officially noticed.

7. A final administrative decision shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. Conclusions of law shall specifically address the agency's authority to make the decision consistent with section 41-1030.

G. Except as otherwise provided by law:

1. At a hearing on an agency's denial of a license or permit or a denial of an application or request for modification of a license or permit, the applicant has the burden of persuasion.

2. At a hearing on an agency action to suspend, revoke, terminate or modify on its own initiative material conditions of a license or permit, the agency has the burden of persuasion.

3. At a hearing on an agency's imposition of fees or penalties or any agency compliance order, the agency has the burden of persuasion.

4. At a hearing held pursuant to chapter 23 or 24 of this title, the appellant or claimant has the burden of persuasion.

H. Subsection G of this section does not affect the law governing burden of persuasion in an agency denial of, or

refusal to issue, a license renewal.

#### **41-1092.08. Final administrative decisions; review; exception**

A. The administrative law judge of the office shall issue a written decision within twenty days after the hearing is concluded. The written decision shall contain a concise explanation of the reasons supporting the decision, including the findings of fact and conclusions of law. The administrative law judge shall serve a copy of the decision on all parties to the contested case or appealable agency action. On request of the agency, the office shall also transmit to the agency the record of the hearing as described in section 12-904, except as provided in section 41-1092.01, subsection F.

B. Within thirty days after the date the office sends a copy of the administrative law judge's decision to the head of the agency, executive director, board or commission, the head of the agency, executive director, board or commission may review the decision and accept, reject or modify it. If the head of the agency, executive director, board or commission declines to review the administrative law judge's decision, the agency shall serve a copy of the decision on all parties. If the head of the agency, executive director, board or commission rejects or modifies the decision, the agency head, executive director, board or commission must file with the office, except as provided in section 41-1092.01, subsection F, and serve on all parties a copy of the administrative law judge's decision with the rejection or modification and a written justification setting forth the reasons for the rejection or modification of each finding of fact or conclusion of law. If there is a rejection or modification of a conclusion of law, the written justification shall be sent to the president of the senate and the speaker of the house of representatives.

C. A board or commission whose members are appointed by the governor may review the decision of the agency head, as provided by law, and make the final administrative decision.

D. Except as otherwise provided in this subsection, if the head of the agency, the executive director or a board or commission does not accept, reject or modify the administrative law judge's decision within thirty days after the date the office sends a copy of the administrative law judge's decision to the head of the agency, executive director, board or commission, as evidenced by receipt of such action by the office by the thirtieth day, the office shall certify the administrative law judge's decision as the final administrative decision. If the board or commission meets monthly or less frequently, if the office sends the administrative law judge's decision at least thirty days before the next meeting of the board or commission and if the board or commission does not accept, reject or modify the administrative law judge's decision at the next meeting of the board or commission, as evidenced by receipt of such action by the office within five days after the meeting, the office shall certify the administrative law judge's decision as the final administrative decision.

E. For the purposes of subsections B and D of this section, a copy of the administrative law judge's decision is sent on personal delivery of the decision or five days after the decision is mailed to the head of the agency, executive director, board or commission.

F. The decision of the agency head is the final administrative decision unless one of the following applies:

1. The agency head, executive director, board or commission does not review the administrative law judge's decision pursuant to subsection B of this section or does not reject or modify the administrative law judge's decision as provided in subsection D of this section, in which case the administrative law judge's decision is the final administrative decision.

2. The decision of the agency head is subject to review pursuant to subsection C of this section.

3. The licensee accepts the administrative law judge's decision concerning the appeal of a licensing decision as final pursuant to subsection I of this section.

G. If a board or commission whose members are appointed by the governor makes the final administrative decision as an administrative law judge or on review of the decision of the agency head, the decision is not subject to review by the head of the agency.

H. A party may appeal a final administrative decision pursuant to title 12, chapter 7, article 6, except as provided in section 41-1092.09, subsection B and except that if a party has not requested a hearing on receipt of a notice of appealable agency action pursuant to section 41-1092.03, the appealable agency action is not subject to judicial

review. The license is not stayed during the appeal unless the affected party that has appealed applies to the superior court for an order requiring a stay pending final disposition of the appeal as necessary to prevent an imminent and substantial endangerment to public health or the environment. The court shall determine the matter under the standards applicable for granting preliminary injunctions.

I. Except for a licensing decision concerning the administrative completeness of an application submitted by a licensee or a licensing decision where the agency, executive director, board or commission has determined that the licensee poses a threat of grave harm or danger to the public or has acted with complete disregard for the well-being of the public in engaging or in being allowed to engage in the licensee's regulated business activity, for any appealable agency action or contested case involving a licensing decision, the licensee may accept the decision not more than ten days after receiving the administrative law judge's written decision. If the licensee accepts the administrative law judge's written decision, the decision shall be certified as the final decision by the office. If the licensee does not accept the administrative law judge's written decision as the final decision in the matter, the head of the agency, executive director, board or commission may review the decision and accept, reject or modify the decision. If the head of the agency, executive director, board or commission intends to reject or modify the decision, the parties shall meet and confer, within thirty days after receiving the administrative law judge's decision pursuant to subsection A of this section, concerning the agency's proposed modifications to the findings of fact and conclusions of law. Within twenty days after conferring, the head of the agency, executive director, board or commission shall file its final decision in accordance with subsection B of this section. This subsection does not apply to any appealable agency actions of the department of water resources pursuant to title 45.

J. This section does not apply to the Arizona peace officer standards and training board established by section 41-1821.

#### **41-1092.09. Rehearing or review**

A. Except as provided in subsection B of this section:

1. A party may file a motion for rehearing or review within thirty days after service of the final administrative decision.
2. The opposing party may file a response to the motion for rehearing within fifteen days after the date the motion for rehearing is filed.
3. After a hearing has been held and a final administrative decision has been entered pursuant to section 41-1092.08, a party is not required to file a motion for rehearing or review of the decision in order to exhaust the party's administrative remedies.

B. A party to an appealable agency action of or contested case with a self-supporting regulatory board shall exhaust the party's administrative remedies by filing a motion for rehearing or review within thirty days after the service of the administrative decision that is subject to rehearing or review in order to be eligible for judicial review pursuant to title 12, chapter 7, article 6. The board shall notify the parties in the administrative decision that is subject to rehearing or review that a failure to file a motion for rehearing or review within thirty days after service of the decision has the effect of prohibiting the parties from seeking judicial review of the board's decision.

C. Service is complete on personal service or five days after the date that the final administrative decision is mailed to the party's last known address.

D. Except as provided in this subsection, the agency head, executive director, board or commission shall rule on the motion within fifteen days after the response to the motion is filed or, if a response is not filed, within five days of the expiration of the response period. A self-supporting regulatory board shall rule on the motion within fifteen days after the response to the motion is filed or at the board's next meeting after the motion is received, whichever is later.

#### **41-1092.10. Compulsory testimony; privilege against self-incrimination**

A. A person may not refuse to attend and testify or produce evidence sought by an agency in an action, proceeding or investigation instituted by or before the agency on the ground that the testimony or evidence, documentary or otherwise, required of the person may tend to incriminate the person or subject the person to a penalty or forfeiture unless it constitutes the compelled testimony or the private papers of the person that would be privileged

evidence either pursuant to the fifth amendment of the Constitution of the United States or article II, section 10, Constitution of Arizona, and the person claims the privilege before the production of the testimony or papers.

B. If a person asserts the privilege against self-incrimination and the agency seeks to compel production of the testimony or documents sought, the office or agency as provided in section 41-1092.01, subsection F may issue, with the prior written approval of the attorney general, a written order compelling the testimony or production of documents in proceedings and investigations before the office or agency as provided in section 41-1092.01, subsection F or apply to the appropriate court for such an order in other actions or proceedings.

C. Evidence produced pursuant to subsection B of this section is not admissible in evidence or usable in any manner in a criminal prosecution, except for perjury, false swearing, tampering with physical evidence or any other offense committed in connection with the appearance made pursuant to this section against the person testifying or the person producing the person's private papers.

#### **41-1092.11. Licenses; renewal; revocation; suspension; annulment; withdrawal**

A. If a licensee makes timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, the existing license does not expire until the application has been finally determined by the agency, and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.

B. Revocation, suspension, annulment or withdrawal of any license is not lawful unless, before the action, the agency provides the licensee with notice and an opportunity for a hearing in accordance with this article. If the agency finds that the public health, safety or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, the agency may order summary suspension of a license pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

#### **41-1092.12. Private right of action; recovery of costs and fees; definitions**

A. If an agency takes an action against a party that is arbitrary, capricious or not in accordance with law, the action is an appealable agency action if all of the following apply:

1. Within ten days after receiving notification of the action that is arbitrary, capricious or not in accordance with law, the party notifies the director of the agency in writing of the party's intent to file a claim pursuant to this section. This notice shall include a description of the action the party claims to be arbitrary, capricious or not in accordance with law and reasons why the action is arbitrary, capricious or not in accordance with law.
2. The agency continues the action that is arbitrary, capricious or not in accordance with law more than ten days after the agency receives the notice.
3. The action is not excluded from the definition of appealable agency action as defined in section 41-1092.

B. This section only applies if an administrative remedy or an administrative or a judicial appeal of final agency action is not otherwise provided by law.

C. If the party prevails, the agency shall pay reasonable costs and fees to the party from any monies appropriated to the agency and available for that purpose or from other operating monies of the agency. If the agency fails or refuses to pay the award within fifteen days after the demand, and if no further review or appeal of the award is pending, the prevailing party may file a claim with the department of administration. The department of administration shall pay the claim within thirty days in the same manner as an uninsured property loss under chapter 3.1, article 1 of this title, except that the agency is responsible for the total amount awarded and shall pay it from its operating monies. If the agency had appropriated monies available for paying the award at the time it failed or refused to pay, the legislature shall reduce the agency's operating appropriation for the following fiscal year by the amount of the award and shall appropriate that amount to the department of administration as reimbursement for the loss.

D. If the administrative law judge determines that the appealable agency action is frivolous, the administrative law judge may require the party to pay reasonable costs and fees to the agency in responding to the appeal filed before

the office of administrative hearings.

E. Notwithstanding any other law, a licensee may forgo an administrative appeal and seek judicial review of an agency's grant, denial, modification or revocation of a permit issued pursuant to title 49.

F. For the purposes of this section:

1. "Action against the party" means any of the following that results in the expenditure of costs and fees:

2. "Agency" means the department of environmental quality established pursuant to title 49, chapter 1, article 1.
3. "Costs and fees" means reasonable attorney and professional fees.
4. "Notice of violation" means a written notice issued after an inspection or investigation pursuant to section 41-1009 that documents and communicates an alleged deficiency meeting one or more of the criteria listed in section 41-1009, subsection E.
5. "Party" means an individual, partnership, corporation, association and public or private organization at whom the action was directed and who has expended costs and fees as a result of the action against the party.

- C. If the court finds for the plaintiff, the court shall enjoin further enforcement of the challenged occupational regulation and shall award reasonable attorney fees and costs to the plaintiff.

### 41-1093.04. Occupational license, permit or certificate or other state recognition rights; petition for review of criminal record; annual report

*Amended by Ariz. Sess. Laws Ch. 83 and 91, (2024)*

- A. A person with a criminal record may petition an agency, at any time, including before obtaining any required education or experience, taking any examination or paying any fee, for a determination of whether the person's criminal record disqualifies the person from obtaining a license, permit, certificate or other state recognition.
- B. In the petition, the person shall include:
  1. The person's complete criminal history record or authorization for the agency to obtain the person's criminal history record.
  2. Any additional information about the person's current circumstances, including the time since the offense was committed and the sentence was completed, the payment of any court-ordered restitution, evidence of rehabilitation, testimonials, employment history and employment aspirations.
- C. The agency shall determine whether the person's criminal record disqualifies the person from obtaining a license, permit, certificate or other state recognition.
- D. Notwithstanding any other law or rule, **when making a determination regarding the person's petition**, the agency may determine that the person's criminal record disqualifies the person from obtaining a license, permit, certificate or other state recognition only if the agency concludes that this state has an important interest in protecting public safety that is superior to the person's right and either of the following applies:
  1. The person was convicted of any of the following, the conviction occurred within **three** years before the date of the petition, excluding any period of time that the person was imprisoned in the custody of the state department of corrections, and the conviction has not been set aside **or sealed**:
    - (a) A felony offense.
    - (b) A violent crime as defined in section 13-901.03.
    - (c) An offense included in title 13, chapter 20, 21 or 22 or section 13-2310 or 13-2311 if the license, permit, certificate or other state recognition is for an occupation in which the applicant would owe a fiduciary duty to a client.
  2. The person was, at any time, convicted of either of the following:
    - (a) An offense that a law specifically requires the agency to consider when issuing a license, permit,

certificate or other state recognition and the conviction has not been set aside **or sealed**.

(b) A dangerous offense as defined in section 13-105, a serious offense as defined in section 13-706, a dangerous crime against children as defined in section 13-705 or an offense included in title 13, chapter 14 or 35.1, and the conviction has not been set aside **or sealed**.

E. To conclude that the state has an important interest in protecting public safety that is superior to the person's right, as required by subsection D of this section, the agency must determine by clear and convincing evidence at the time of the petition that both of the following apply:

1. The specific offense that the person was convicted of:

**(a) For an occupational or professional licensing board or a health profession regulatory board, substantially relates to the occupation or approval would pose a reasonable threat to public health and safety as prescribed by section 41-1093.08.**

**(b) For all other agencies, substantially relates to this state's interest and specifically and directly relates to the duties and responsibilities of the occupation, except offenses involving moral turpitude**

2. The person, based on the nature of the specific offense that the person was convicted of and the person's current circumstances, including the passage of time since the person committed the OFFENSE and any evidence of rehabilitation or treatment, is more likely to reoffend by virtue of having the license, permit, certificate or other state recognition than if the person did not have the license, permit, certificate or other state recognition.

F. In determining if a person's criminal record disqualifies the person from obtaining a license, permit, certificate or other state recognition **pursuant to subsection D of this section**, the agency may not consider negatively any of the following:

1. Nonconviction information, including information related to a deferred adjudication, participation in a diversion program or an arrest that was not followed by a conviction.

2. A conviction that has been sealed, dismissed, expunged or pardoned.

3. A juvenile adjudication.

4. A nonviolent misdemeanor.

**5. Whether the person would qualify for a fingerprint clearance card issued pursuant to chapter 12, article 3.1 of this title without a good cause exception.**

G. The agency shall issue a determination on the petition within ninety days after the agency receives the petition. The determination on the petition must be in writing and include all of the following:

1. Findings of fact and conclusions of law.

2. The grounds and reasons for the determination if the person's criminal history disqualifies the person.

H. If the agency determines that the state's interest to protect public safety is superior to the person's right, the agency **shall** advise the person of the actions that the person may take to remedy the disqualification, including:

1. An appeal of the determination as provided in title 12, chapter 7, article 6.

2. The earliest date the person may submit a new petition to the agency, which must be not later than two years after the final determination of the initial petition.

I. **Subject to Section 41-1093.08, if applicable, the** agency shall rescind the determination any time after the determination is made but before issuing a license, permit, certificate or other state recognition if the person is convicted of an additional offense that is included in subsection D of this section.

J. Subsection D and subsection F, paragraphs 1, 2 and 4 of this section do not apply to any of the following:

1. Any law enforcement agency or the Arizona peace officer standards and training board.

Notice:

Pursuant to section 41-1093.01, Arizona Revised Statutes, an agency shall limit all occupational regulations to regulations that are demonstrated to be necessary to specifically fulfill a public health, safety or welfare concern. Pursuant to sections 41-1093.02 and 41-1093.03, Arizona Revised Statutes, you have the right to petition this agency to repeal or modify the occupational regulation or bring an action in a court of general jurisdiction to challenge the occupational regulation and to ensure compliance with section 41-1093.01, Arizona Revised Statutes.

#### **41-1093.06. Occupational licenses; drug offense conviction; eligibility; exceptions; definition**
