

Vision: The Arizona Department of Real Estate shall be the most customer service oriented, technologically innovative, and operationally efficient and effective state level real estate department in the United States.

Agency Description: The Department oversees the administration of licensing examinations and issuance of licenses, as well as the activities of licensees to ensure compliance with the Arizona Revised Statutes and the Commissioner’s Rules. Within the purview of the Department are builder/development regulation of the sale of subdivided and certain unsubdivided lands, timeshares, condominiums, membership campgrounds, and cemeteries, administration of the Homeowner’s Association Dispute Process, and conducting investigations of consumer complaints, and audits of real estate brokerages.

The Department also regulates real estate schools and educators, monitoring precensing and continuing education courses to ensure the quality of the content of courses and the competence of the instructors, as well as the quality and timeliness of materials being taught.

Executive Summary: The Arizona Department of Real Estate will utilize the Arizona Management System to continue fulfilling its principles, values and mission.

The Department will be a leader among state real estate agencies through prioritizing strategic goals of providing excellent customer service, continuing to drive technological advancement, update and strengthen real estate education and focus on operational success.

Strategic Issues

- Identify customer values and investor expectations;
- Practice data driven decision making and structured problem solving;
- Fully implement sunset audit recommendation;
- Identify opportunities to streamline the delivery of services;
- Enhance online technology platform;
- Delivering results that provide greater benefits for Arizonans.
