****Should you have questions, please contact ADRE through the Online Message Center: [Click Here](#)**

Volunteer Course Monitoring Training

The Department is working on updating its Volunteer Monitor training.

As you know, active licensees can volunteer to monitor courses taught by licensed Real Estate Schools and receive Continuing Education credit for monitoring the course.

The training is typically held once a month via Google Meet and lasts for 3 hours.

The Department is working on creating a new training that will last for about 1 hour.
